The Art Institutes International – Kansas City, scheduled to begin classes in August 2008, is one of The Art Institutes, a system of over 40 locations across North America, providing an important source of design, media arts, culinary arts, fashion, and fine arts professionals to the marketplace.

Initially, The Art Institutes International – Kansas City will offer bachelor's degree programs in Advertising, Culinary Arts, Digital Filmmaking & Video Production, Web Design & Interactive Media, Graphic Design, Fashion Marketing, and Interior Design; and associate's degree programs in Culinary Arts and Graphic Design.

Its location in Kansas City will afford students the opportunity to volunteer for civic organizations and enjoy all the culture and excitement a vibrant metropolitan area has to offer.

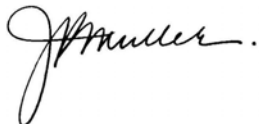

The Art Institutes International – Kansas City hopes to make an important contribution to the economic growth and social well-being of the area that it serves, providing higher education opportunities that prepare graduates for entry-level positions in the creative arts professions they have selected.
