First-quarter tuition and fees for new students become due sixty (60) days prior to entry. Thereafter, quarterly tuition for each succeeding quarter is due upon registration, two (2) weeks prior to the end of each academic quarter. A student may not register for any academic quarter of study unless all tuition and fees that are due have been paid, or unless the student has made arrangements for an approved alternative payment plan. Tuition is charged on a quarter-by-quarter basis. Students are not obligated beyond the quarter they are currently attending. See page 11 for complete information about tuition and fees.

### Tuition

The current tuition rate is \$486 per credit hour.

	Quarter	Academic Year (3 quarters)
Full-time tuition—day (16 credit hours)	\$7,776*	\$23,328 *
Full-time tuition—eve (12 credit hours)	\$5,832*	\$17,496 *
Housing cost (college-sponsored housing)	\$2,800	\$8,400

\* Costs are based on the current credit hour rate. The Art Institute will increase the tuition rate at least once per year, which will increase the total amount for the program. Tuition costs of up to \$3,888 (at the current rate of \$486 per credit hour) beyond the usual total for a degree may occur if the student is required to take transitional studies classes for developmental purposes; students take a maximum of two classes. In addition, all new and returning students must take, in their first quarter, a 1-credit course about being a successful college student. The cost of this course is \$486 at the current tuition rate.

The digital resource fee includes the cost of the digital textbook as well as other digital resources which are integrated into the course and vary by program. The fee includes all applicable taxes. This estimated fee assumes all courses require a digital resource; however currently not all courses use digital resources. Courses that include digital resources will be noted in the registration material and the fee will be charged automatically in addition to tuition. If a course does not use digital resources, the student remains responsible for purchasing the required text and materials. The digital resource fee is \$50 per course.

The student is on a continuing quarter-by-quarter enrollment basis and agrees to comply with all published Art Institute policies and procedures. The Art Institute reserves the right to add, delete, or modify its policies and procedures, with or without notice. Cancellation of a scheduled class start date for any program shall entitle the enrollee to elect either: (1) a guaranteed reservation in the next scheduled class for that program, or (2) cancellation of enrollment with a full refund of all monies paid.

College-sponsored housing costs are in addition to tuition and a separate agreement is entered into for that purpose. See the office of residence life and housing for details. Special U.S. and overseas trips are voluntary and are not included in regular tuition and fees.

*The Art Institute of Atlanta reserves the right to change tuition and fees as it deems necessary. Additional costs for all students to purchase consumable supplies and textbooks, as well as for additional specialized equipment, are estimated above.*

## 7. Enrollment Agreement and Signature

### *Tuition Policy*

I understand that I, the student, am responsible for tuition and fees pertaining to the program's required course of study. The tuition and fees contained in this Application and Enrollment Agreement are subject to change. The per credit hour rate is subject to change at least once per calendar year, which will increase the total amount for the program. The adjustment to the per credit hour rate may occur before I begin classes and my program will be calculated using the new rate. Any changes to tuition and fees will be published to students.

### *Cancellation and Refund Policies*

I understand that I, the student, may cancel my enrollment without any penalty or obligation at any time prior to midnight of the fifth business day after signing the application for admission. I may also cancel my enrollment if, upon a doctor's order, I cannot physically receive the services, or I may cancel my enrollment if the services cease to be offered. If I cancel my enrollment for either of these reasons, The Art Institute of Atlanta may keep only a portion of the tuition or other charges (see pages 9-10 of this booklet). I understand that the \$50 application fee is refundable up to the 5th day of business after signing this application or if I am not accepted to The Art Institute of Atlanta. I understand that a enrollment fee of \$100 is fully applied toward tuition and is required within 10 days of application, and is refundable as stated in the current refund policy (see pages 9-10, Refund Policy Prior to Matriculation). I accept that, to the extent permitted by law, I am responsible for all reasonable collection agency and attorney fees incurred in attempting to collect my unpaid debt to The Art Institute of Atlanta.

### *Arbitration Policy*

I and The Art Institute of Atlanta ("The Art Institute") agree that any dispute or claim between myself and The Art Institute (or any company affiliated with The Art Institute, or any of its officers, directors, trustees, employees or agents) arising out of or relating to this enrollment agreement or, absent such agreement, my enrollment or attendance at The Art Institute, whether such dispute arises before, during, or after my attendance and whether the dispute is based on contract, tort, statute, or otherwise, shall be, at my or The Art Institute's election, submitted to and resolved by individual binding arbitration pursuant to the terms described herein. The full arbitration policy is found on page 10 and is part of this agreement.

### *Transferability of Credit*

The Art Institute of Atlanta is licensed by the Georgia Nonpublic Postsecondary Education Commission, 2082 East Exchange Place, Suite 220, Tucker, Georgia 30084. The Art Institute of Atlanta, including its branch campuses—The Art Institute of Atlanta-Decatur, The Art Institute of Charleston, The Art Institute of Tennessee-Nashville, The Art Institute of Virginia Beach, The Art Institute of Washington and The Art Institute of Washington-Northern Virginia-- is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award associate and baccalaureate degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call 404-679-4500 for questions about the accreditation of The Art Institute of Atlanta. However, the fact that a school is licensed and accredited is not necessarily an indication that credits earned at that school will be accepted by another school. In the U.S. higher education system, transferability of credit is determined by the receiving institution, taking into account such factors as course content, grades, accreditation and licensing. The Art Institute does not imply, promise, or guarantee transferability of its credits to any other institution. The full transferability of credit policy is found on page 10 and is part of this agreement.

### *Other Regulations and Policies*

If I am accepted for admission by The Art Institute, I agree to abide by the regulations and policies as set forth in the catalog, together with all other Art Institute policies, procedures, and student conduct codes, and the schedule of tuition, fees, and expenses, and as stated in this agreement. I certify that the information that I have provided in this application is true and complete to the best of my knowledge. I fully realize that omission or falsification of information will be sufficient reason for rejection of this application or for dismissal. I authorize The Art Institute to receive a copy of all my high school and college transcripts, including GED certificate and scores, if applicable. I understand that I am responsible for requesting that my transcripts be sent. I understand that The Art Institute reserves the right to change start dates, curriculum (course contents, course titles, and the sequencing of classes), graduation requirements, tuition, or fees at any time it deems necessary, subject to any applicable regulatory approvals. (Parents must also sign if applicant is under 18 years of age.) I understand that my enrollment and The Art Institute's obligations under this Agreement (except the cancellation and refund provisions) may be terminated by The Art Institute if I fail to comply with The Art Institute's attendance, conduct, academic, and/or financial requirements. I understand that The Art Institute also reserves the right to cancel my enrollment if The Art Institute determines (1) that I have not demonstrated sufficient potential for success as determined by the Admissions Committee and/or (2) that I do not meet all financial obligations related to enrollment and continuing enrollment. I understand that my financial obligations to The Art Institute must be paid in full before a diploma or degree may be awarded and before transcripts will be issued. The application for admission and the catalog, together with other published Art Institute policies, procedures, student conduct codes including the student handbook and separate student housing agreement, if any, shall constitute the entire agreement between the student and The Art Institute. I understand and agree that they supersede any prior or contemporaneous oral or written agreements or statements and may not be modified without the written agreement of the president of The Art Institute. I also understand that this agreement constitutes a binding contract upon acceptance by The Art Institute. **This contract or note is for future consumer services and puts all assignees on notice of the consumer's right to cancel under Georgia's fair trade practices rule.**

### Tuition, Fees, and Expenses

#### Tuition

First-quarter tuition and fees for new students become due sixty (60) days prior to entry. Thereafter, quarterly tuition for each succeeding quarter is due upon registration, two (2) weeks prior to the end of each academic quarter. A student may not register for any academic quarter of study unless all tuition and fees that are due have been paid, or unless the student has made arrangements for an approved alternative payment plan. Tuition is charged on a quarter-by-quarter basis. Students are not obligated beyond the quarter they are currently attending. Please see page 11 for complete information about costs to complete each program of study, as well as starting kit costs and other fees. Current tuition rate per credit hour is \$486. Actual tuition costs per quarter or academic year depend on the number of credit hours taken.

The student is on a continuing quarter-by-quarter enrollment basis and agrees to comply with all published Art Institute policies and procedures. The Art Institute reserves the right to add, delete, or modify its policies and procedures, with or without notice. Cancellation of a scheduled class start date for any program shall entitle the enrollee to elect either: (1) a guaranteed reservation in the next scheduled class for that program, or (2) cancellation of enrollment with a full refund of all monies paid.

#### Housing Costs

The current cost for college-sponsored housing is \$2,800 per quarter or \$8,400 per academic year.

College-sponsored housing costs are in addition to tuition and a separate agreement is entered into for that purpose. See the office of residence life and housing for details. Special U.S. and overseas trips are voluntary and are not included in regular tuition and fees.

#### Starting Kits and Additional Required Equipment

The starting kit is optional and consists of basic equipment, first-quarter textbooks and materials required for beginning each program. A list of the components of the starting kit is provided to each enrolled student. These materials may be purchased at The Art Institute or at most supply stores. Up to \$150 credit (depending on program) is also provided at the supply store for consumable supplies. Kit prices are subject to change. Please see page 11 for specific cost of Starting Kits for each program of study. *In addition to the kit, photographic imaging students will need to make purchases of a specialized digital camera and equipment for use in their program. The approximate cost of this equipment, if purchased through the Supply Store, is \$4,500.*

#### Supplies and Textbooks

The average monthly cost of consumable supplies and textbooks varies by program and averages \$70 - \$250. *Please note that the actual costs often occur at the start of a quarter, and are not evenly spread throughout the quarter.* For detailed information, see page 4.

#### Fees

Some programs require a lab fee. Culinary Arts charges \$285 per quarter for some courses. Photographic Imaging charges \$75 per quarter for some courses. Interior Design students pay \$30 per quarter every quarter. The Student Activities Fee is \$50 for the first quarter only. The digital resource fee includes the cost of the digital textbook as well as other digital resources which are integrated into the course and vary by program. The fee includes all applicable taxes. This estimated fee assumes all courses require a digital resource; however currently not all courses use digital resources. Courses that include digital resources will be noted in the registration material and the fee will be charged automatically in addition to tuition. If a course does not use digital resources, the student remains responsible for purchasing the required text and materials. The digital resource fee is \$50 per course (\$75 per online course).

#### Refund Policies

##### Refund Policy Prior to Matriculation, All Students

Applicants may cancel their enrollment in person or in writing before the beginning of classes. An applicant not requesting cancellation before the scheduled starting date indicated on the application for admission will be considered a student. All monies paid by applicants will be refunded if they are not accepted for admission. All monies paid by the applicant will be refunded if requested by the applicant within five (5) business days after

signing the application for admission and making an initial payment. Applicants requesting cancellation more than five (5) business days after signing the application for admission and more than ninety (90) days prior to their original class start date, will receive a refund of all monies paid, less the \$50 application fee. Applicants requesting cancellation more than five (5) business days after signing the application for admission, but less than ninety (90) days prior to their original class start date, will receive a refund of all monies paid, less the \$50 application fee and \$100 enrollment fee.

The application fee is valid for one year from the original date of application. Students wishing to apply after one year will be required to submit a new application fee. Students who cancel within 5 days after signing the application and wish to reapply will be required to submit a new application fee.

##### Refund Policy After Matriculation, All Students

In the event of withdrawal by the student or termination by The Art Institute during any quarter of study:

1. Prepaid tuition for any period beyond the current quarter will be refunded in full.
2. The Art Institute shall terminate the student when the student has missed seven (7) (consecutive) class days (or within twenty (20) calendar days from the student's last day of attendance, whichever is less) and The Art Institute shall pay the refund within thirty (30) days of that written termination date. The refund shall be paid to the student unless payment to a lender or other entity is required by the terms of a student financial aid program in which The Art Institute participates.
3. The student may voluntarily withdraw from The Art Institute by notifying the office of the registrar in person or in writing. For a student who attended a previous quarter of study and did not indicate that he/she was not returning, refunds will be made within thirty (30) days of the first scheduled day of class in the quarter in which the student was expected to return.
4. In the event of a fully documented extreme illness or personal emergency that makes it impractical for the student to complete the program, The Art Institute may modify the tuition refund policy as deemed appropriate to the circumstances. After the student's first period of enrollment, if the student withdraws in a subsequent period due to mitigating circumstances, he/she will receive a refund, except for room and board, as provided under "Adjustment of Charges." Mitigating circumstances are those that directly prohibit the student from pursuing his/her program and are beyond his/her control. These include the student's serious illness, death in the student's immediate family, or active duty military service, including active duty for training.
5. A separate lease agreement and refund policy exists for students who lease housing accommodations arranged by The Art Institute.
6. The Art Institute reserves the right to apply any student payment, or any refund due to a student, to any student financial account that is in arrears.
7. Each academic quarter is eleven (11) weeks in duration. The calculation of refunds is based upon the last day of attendance within the quarter.
8. In the event The Art Institute cancels or changes a course or program of study in such a way that a student who had started a program or course is unable to complete it, The Art Institute will refund all monies paid by the student for the course or program within thirty (30) days.

##### Refund Policy for Online Course Withdrawal

Students who withdraw from a Session I or Session II online course after the drop/add period are treated the same way as if they withdrew from an on-ground class. Session II classes begin the day after Session I classes end and run five weeks. The ending date of Session II classes may not coincide with the ending date of on-ground

##### Return of Federal Title IV Aid

In compliance with federal regulations, the school will determine how much federal student financial assistance the student has earned or not earned when a student withdraws from school. The school will calculate the percentage and amount of awarded federal student financial assistance that the student has earned if the student withdraws up through the 60 percent point of the term. If the student has completed more than 60 percent of the term, the student earns 100 percent of the federal student financial assistance.

The amount earned will be based on the percentage of the term that was completed in days up to and including the last date of attendance. To calculate the amount earned, the school will determine the percentage by dividing the number of calendar days completed in the term up to and including the last date of attendance by the total number of calendar days in the term.

If the student received more than the amount of federal student financial assistance earned, the difference will be returned to the federal student financial assistance programs from which funds were received in the following order: Unsubsidized Stafford Loan, Unsubsidized Direct Loan, Subsidized Stafford Loan, Subsidized Direct Loan, Perkins Loan, PLUS Loan, Pell Grant, ACG, SMART, SEOG. Funds will be returned to the aid source within 45 days of the date that the school determines that the student has withdrawn.

If more federal student financial assistance has been earned than has been received, the student may be eligible for a post-withdrawal disbursement. The school will notify the

student of any post-withdrawal disbursement for which the student may be eligible and what steps need to be taken for the federal financial assistance funds to be received.

If federal student financial assistance funds need to be returned, the institution must return a portion or all of the unearned funds equal to the lesser of:

- The institutional charges multiplied by the percentage of the unearned federal student financial assistance funds; or
- The entire amount of unearned funds.

If there are remaining unearned federal financial aid funds to be returned, the student must return any loan funds that remain to be returned in accordance with the terms and conditions of the promissory note. If the remaining amount of funds to be returned includes grant funds, the student must return any amount of the overpayment that is more than half of the grant funds received. The school will notify the student as to the amount owed and how and where it should be returned.

#### Policy for Official and Unofficial Withdrawal

To officially withdraw, a student obtains a withdrawal form from his/her academic advisor or department chair. Signatures must be obtained from the offices of student financial services, student accounting, the library, the academic department chair, the housing office (if appropriate), and the registrar's office. The registrar determines the last date of attendance and the date of determination. The date of determination would be the earlier of the date the student begins the school's withdrawal process or the date the student provides notice. For students who unofficially withdraw, the registrar will determine the last date of attendance using attendance records.

#### Adjustment of charges:

In accordance with Georgia policy, the school will earn tuition and fees and other charges, as follows, based on the week in which the student withdraws:

If kits, components of the kit, books, or supplies, are returned to the supply store in resalable condition within 21 days of withdrawal, a credit will be given. All refunds and return of funds will be made within 30 days of the date that the student notifies The Art Institute of the withdrawal. Examples of the calculations for this policy are available in the student accounting office.

#### Quarter start

Weeks 1–2: 25% of tuition & fees  
Week 3–50% of quarter: 50% of tuition & fees  
50% of quarter–Week 6: 75% of tuition & fees  
After Week 6: 100% of tuition & fees

#### Mid-quarter start

Days 1–2: 5% of tuition & fees  
Day 3–Week 1: 10% of tuition & fees  
Week 2: 25% of tuition & fees  
Week 3: 50% of tuition & fees  
After Week 3: 100% of tuition & fees

#### Non-Payment of Charges

Non-payment of tuition, housing, fees and/or other charges due to The Art Institute of Atlanta will result in the student's obligation for additional costs, which may include collection agency costs and legal costs. In addition, The Art Institute of Atlanta reserves the right to report the student's failure to pay amounts owed to one or more national credit bureau organizations and the student's academic transcript will not be released until all the student's debts to the college are paid in full.

#### Interest on Outstanding Balances

The student understands and agrees that he/she will be liable for interest charges that will be assessed on his/her account balance until the balance is paid in full. Interest will be charged at 12% per annum on the student's adjusted outstanding balance at the end of each month. The adjusted outstanding balance is defined as all charges incurred by the student for attendance at the college at the end of the prior month, including but not limited to tuition, fees, housing charges, late registration fees, fines, damages, etc., less the total amount paid to the student's account at the end of the current month, including financial aid that the student has been awarded but has not been paid for the quarter, provided that the student and/or the student's parent(s) have completed all of the requirements for the award. The student understands and agrees that his/her adjusted outstanding balance is different from his/her payment plan and that the student's financial aid award may be reduced or eliminated if the student does not complete all of the requirements for financial aid.

#### Arbitration Policy

##### Arbitration

Every student and The Art Institute agrees that any dispute or claim between the student and The Art Institute (or any company affiliated with The Art Institute or any of its officers, directors, trustees, employees or agents) arising out of or relating to a student's enrollment or attendance at The Art Institute whether such dispute arises before, during, or after the student's attendance and whether the dispute is based on contract, tort, statute, or otherwise, shall be, at the student's The Art Institute's election, submitted to and resolved by individual binding arbitration pursuant to the terms described herein. This policy, however, is not intended to modify a student's right, if any, to file a grievance with any state educational licensing agency.

If a student decides to initiate arbitration, the student may select either, JAMS or the National Arbitration Forum ("NAF") to serve as the arbitration administrator pursuant to its

rules of procedure. If The Art Institute intends to initiate arbitration, it will notify the student in writing by regular mail at the student's latest address on file with The Art Institute, and the student will have 20 days from the date of the letter to select one of these organizations as the administrator. If the student fails to select an administrator within that 20 day period, The Art Institute will select one.

The Art Institute agrees that it will not elect to arbitrate any undividable claim of less than the relevant jurisdictional threshold that a student may bring in small claims court (or in a similar court of limited jurisdiction subject to expedited procedures). If that claim is transferred or appealed to a different court, however, or if a student's claim exceeds than the relevant jurisdictional threshold The Art Institute reserves the right to elect arbitration and, if it does so, each student agrees that the matter will be resolved by binding arbitration pursuant to the terms of this Section.

If either a student or The Art Institute chooses arbitration, neither party will have the right to a jury trial, to engage in discovery, except as provided in the applicable arbitration rules, or otherwise to litigate the dispute or claim in any court (other than in small claims or similar court, as set forth in the preceding paragraph, or in an action to enforce the arbitrator's award). Further, a student will not have the right to participate as a representative or member of any class of claimants pertaining to any claim subject to arbitration. The arbitrator's decision will be final and binding. Other rights that a student or The Art Institute would have in court also may not be available in arbitration.

The arbitrator shall have no authority to arbitrate claims on a class action basis, and claims brought by or against a student may not be joined or consolidated with claims brought by or against any other person. Any arbitration hearing shall take place in the federal judicial district in which the student resides. Upon a student's written request, The Art Institute will pay the filing fees charged by the arbitration administrator, up to a maximum of \$3,500 per claim. Each party will bear the expense of its own attorneys, experts and witnesses, regardless of which party prevails, unless applicable law gives a right to recover any of those fees from the other party. If the arbitrator determines that any claim or defense is frivolous or wrongfully intended to oppress the other party, the arbitrator may award sanctions in the form of fees and expenses reasonably incurred by the other party (including arbitration administration fees, arbitrators' fees, and attorney, expert and witness fees), to the extent such fees and expenses could be imposed under Rule 11 of the Federal Rules of Civil Procedure.

The Federal Arbitration Act (FAA), 9 U.S.C. §§ 1, et seq., shall govern this arbitration provision. This arbitration provision shall survive the termination of a student's relationship with The Art Institute. If a student has a question about the arbitration administrator mentioned above, the student can contact them as follows: JAMS, 45 Broadway, 28th Floor, New York, NY, 10006, HYPERLINK "http://www.jamsadr.com" [www.jamsadr.com](http://www.jamsadr.com), 8003525267; National Arbitration Forum, P.O. Box 50191, Minneapolis, MN, 55405, [www.arbforum.com](http://www.arbforum.com), 800-474-2371.

#### Transferability of Credit

##### *Credit Transfers to Other Schools*

The Art Institute of Atlanta is licensed by the Georgia Nonpublic Postsecondary Education Commission, 2082 East Exchange Place, Suite 220, Tucker, Georgia 30084, 770.414.3300.

The Art Institute of Atlanta, including its branch campuses—The Art Institute of Atlanta-Decatur, The Art Institute of Charleston, The Art Institute of Tennessee-Nashville, The Art Institute of Virginia Beach, The Art Institute of Washington and The Art Institute of Washington-Northern Virginia-- is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award associate and baccalaureate degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call 404.679.4500 for questions about the accreditation of The Art Institute of Atlanta.

However, the fact that a school is licensed and accredited is not necessarily an indication that credits earned at that school will be accepted by another school. In the U. S. higher education system, transferability of credit is determined by the receiving institution taking into account such factors as course content, grades, accreditation and licensing.

The mission of The Art Institute is to help you to prepare for entry-level employment in your chosen field of study. The value of degree programs like those offered by The Art Institute is their deliberate focus on marketable skills. The credits earned are not intended as a stepping stone for transfer to another institution. For this reason, it is unlikely that the academic credits you earn at The Art Institute will transfer to another school.

Programs offered by one school within The Art Institutes system may be similar to but not identical to programs offered at another school within the system. This is due to differences imposed by state law, use of different instructional models, and local employer needs. Therefore, if you decide to transfer to another school within The Art Institutes system, not all of the credits you earn at The Art Institute of may be transferable into that school's program.

If you are considering transferring to either another Art Institute or an unaffiliated school, it is your responsibility to determine whether that school will accept your Art Institute credits. We encourage you to make this determination as early as possible. The Art Institute does not imply, promise, or guarantee transferability of its credits to any other institution.

\*\*\*\*Amount listed is for 16 credits per quarter for degree programs and based on program requirements for diploma programs. Tuition per quarter may vary depending on number of credits taken for the quarter. An academic year is 3 quarters.

## The Art Institute of Atlanta at a Glance

Founded in 1949, The Art Institute prepares students for entry-level careers in design, media arts, fashion, and culinary arts by providing a challenging and stimulating educational environment. The Art Institute offers students a five-story, 115,000-square-foot facility, completed in 1999 and featuring Mac and PC computer labs, camera studios, a digital photo lab, a video production studio, a digital video editing suite, digital audio labs and recording studios, one with an SSL board, a cell animation studio, animation lab, art labs, drawing studios, drafting labs, teaching kitchens and a dining lab, as well as classrooms, a gallery, a library for study and research, and a deli and café. In fall 2003, the college expanded to a second building with additional classrooms, computer labs, interior design resource room, an art foundations center, student lounge, and office space. Beautifully landscaped, the college is located about 20 minutes north of city center, easily accessible by both car and public transportation.

Although many students are of traditional college age, others are adult students returning to college to complete a degree or earn a second degree. The Art Institute is committed to a diverse student body and to an educational program that includes art foundation and general education courses, as well as technical courses in each field. From the moment students are accepted, they become part of an environment that supports their efforts to reach their educational and career goals.

Each year The Art Institute oversees the administration of more than \$62 million in financial aid for those who qualify, including federal and state loans and grants (HOPE and GTEG) and institutional scholarships, both need-based and merit-based. Those who wish to spread their financial commitment out over time may wish to take advantage of The Art Institute's customized payment plan.

At The Art Institute, students have the opportunity to enjoy small classes, hands-on learning, and close relationships with faculty and staff.

More than 250 full-time and part-time faculty bring solid academic credentials, as well as a wealth of experience in their fields, to the task of assisting students in developing the competencies required for each course.

With a student-faculty ratio of approximately seventeen to one, students are assured of personal attention.
