

GRAPHIC DESIGN

Evening and Weekend option in Graphic Design

PROGRAM OVERVIEW

Evening and Weekend option in Graphic Design at The New England Institute of Art. Students can earn their degree in Graphic Design in an evening and weekend, online and on-ground format. All required classes will be offered online, at 7:00pm, or on Saturday. Some classes may also be available at 4:00pm.

These program options provide excellent education opportunities for working adults, allowing them to earn a degree in Graphic Design.

This option features:

- Evening/weekend format in conjunction with online classes
- Curriculum designed with industry input
- Instructors with industry experience
- Technology that reflects industry trends
- Financial Aid available to those who qualify
- Career advisors who work with you for six months after graduation
- Classes are prescribed to ensure open classes for evening students.
