CAREER SERVICES

GENERAL INFORMATION

The Art Institute of Charlotte maintains an employment assistance service for students. Career Services continually seeks new employment opportunities for students. Research is done on a regular basis by The Art Institute of Charlotte's Career Service Advisors to gain knowledge in all areas of business relating to the different programs of study. Career Services responds to employer needs and gives guidance to students on industry trends that relate to their programs of study.

A major function of Career Services is to help students pursue part-time employment while they attend The Art Institute of Charlotte. During advanced quarters, emphasis is placed on assisting students in pursuing field-related part-time jobs, internships, and freelance work in their programs of study. During the last quarter of study, Career Services hosts an event showcasing student portfolios.

Career Services advisors are available through the Career Services Department. Although The Art Institute of Charlotte offers no guarantee of employment, considerable effort is made to bring potential employers together with graduates who have the skills employers seek. In addition, a Career Development course is required to familiarize students with a variety of job-search techniques including effective resume and cover-letter writing, finding resources, networking skills, personal appearance, business etiquette, and negotiating skills.

The Art Institute of Charlotte maintains graduate employment information in weekly, monthly and quarterly reports that contain comprehensive statistical data covering all areas of graduate activity. For more information students should see the Director of Career Services.

INTERNSHIPS (*Internship Advisor – First Floor*)

Internships at The Art Institute of Charlotte take students to a new level of experience. Internships are intended to stretch students' skills in new directions and take their talents to new heights.

This innovative approach to education and training begins in the classroom where students have the opportunity to learn the fundamental concepts of business. After successfully completing prerequisites, students prepare to embark upon education in the workplace.

The work experience is expected to provide a developmental and career-oriented opportunity to assist students in gaining valuable hands-on experience and to offer them support in making longer-term career choices.

ACADEMIC INFORMATION

ACADEMIC ADVISING

While every effort is made to help students plan their academic schedules, it is the students' responsibility to know course sequences and prerequisites as listed in The Art Institute of Charlotte Catalog. Students failing courses that are prerequisites for subsequent courses for which they are pre-registered must have their schedules changed prior to the end of the drop/add period.

ACADEMIC PLACEMENT

Before beginning classes, all students entering The Art Institute of Charlotte are assessed for placement through ACCUPLACER testing, satisfactory SAT or ACT scores, or advanced standing credit for college-level English and mathematics. Students will be assigned to developmental studies courses or to college-level English and mathematics classes based on this academic placement.

ACADEMIC SUPPORT

Developmental Studies

Students found through academic placement to be deficient in English or mathematics will be required to enroll in developmental studies courses in addition to their normal program of study requirements. These courses are designed to bring students' English and mathematics skills to a level of proficiency that ensures further achievement. Students may be required to take one or two developmental studies courses, representing four- or eight-quarter credits and will be charged at the normal per-credit charge for course work. Developmental studies courses are not applied toward the credits required for graduation; they may be attempted no more than three times, and a grade of C or better is required to pass the course. Developmental studies are in addition to the required curriculum; thus, enrollment in these courses may affect the student's graduation date.

Academic Support Center

Any student needing tutorial assistance in any course may participate in peer- or faculty-assisted tutorial programs based in the Academic Support Center. This center is specifically designed to assist students with writing, grammar, mathematics and study skills. The center also supports all major programs of study.

FACULTY

Of all the services provided to students at The Art Institute of Charlotte, none is more crucial than those provided by the faculty members. The Art Institute of Charlotte's faculty includes talented, active professionals and qualified teachers whose top objective is to help enable future success. Students are encouraged to get to know the faculty members; they are valuable role models for the professions students plan to enter. Faculty are willing to assist with questions or concerns about course material.

FIELD TRIPS

Field trips provide various program and course-related activities over and above class work. On local field trips, students are required to provide their own transportation (car, car-pool, or public transportation). Students who have a car and drive fellow students on field trips are responsible for having adequate insurance coverage. The Art Institute of Charlotte is not responsible in the event of accidents involving students' cars.

LIBRARY (*First Floor*)

The library is one of the most important resources available to students of The Art Institute of Charlotte. It contains materials that support The Art Institute of Charlotte's certificate and degree programs, and it provides resources for serious study and research.

Schedule

Monday – Thursday

7:30 a.m. – 9:00 p.m.

Friday	7:30 a.m. – 5:30 p.m.
Saturday	11:00 a.m. – 4:00 p.m.
Sunday	1:00 p.m. – 4:00 p.m.

Exceptions to these hours will be posted in the Library. The Library is closed on holidays and during breaks.

Circulation of Materials

Students checking out books or CDs from the Library may do so for a period of up to two weeks by presenting the material together with a valid student identification card. Videos in DVD or VHS format and back issues of periodicals may be checked out for four days. Current magazines, reference works and reserve materials must be used in the Library. Mat cutters and other equipment needed to complete projects are available for checkout from the

Library. These items are available on an hourly basis.

In order to ensure the availability of resource material it is essential that all items are returned on or prior to the date they are due. Students will accrue fines for overdue materials and must pay for lost materials. Furthermore, vandalism including clipping or defacing material renders it unusable for others, and such action is viewed as a serious disciplinary matter. The cost of loss or damage to library resources is the responsibility of the student who checked out the material. Students who have lost any library resources also will incur a non-refundable processing fee. Overdue materials may delay graduation or registration for the next quarter.

Online Resources

The Library subscribes to several online periodical indexes and full-text databases. This enables all students to have access to a range of material far beyond that which could be held in the physical space of the Library. Databases include Ebsco Academic Search Premier, Wilson OmniFile, Electric Library, and the Proquest bundle, among others. Passwords for off-campus access to the databases can be picked up at the Library circulation desk.

Library Instruction

Library orientation is conducted through Student Success Seminar classes to ensure that students are introduced to library resources and procedures during one of their earlier quarters at The Art Institute of Charlotte. Librarians also conduct classes on research methods and materials for English classes and provide special instruction in course-specific materials at faculty request.

Copiers, Computers and Printers

A black-and-white copier is available for student use in the Library. The cost is \$.10 per page. Paper size is 8 ½ x 11. Computers are available for writing papers and research. All library computers for students contain basic office software (word processing, spreadsheets, etc.), links to the electronic subscription databases and resume-writing software. The library catalog also resides on these computers for easy searching of and access to library materials and on two additional search kiosks. A black-and-white printer is linked to the library computers. There is no charge for printing.

For further information about the Library at The Art Institute of Charlotte, students may consult the Library User's Guide available as part of first-quarter students' orientation kits and available online at <http://aich.aiiresources.com>.

PARKING REGULATIONS

The following regulations are intended to facilitate safe and convenient parking for students, faculty, staff and guests of The Art Institute of Charlotte. Parking spaces are provided for Art Institute students in the lot adjacent to the main building with a permit during designated hours. Parking in any lot other than a clearly marked Art Institute lot may result in a vehicle being towed at the owner's expense. Students park at their own risk and liability.

FREE PARKING

Free parking is available in The Art Institute of Charlotte lot at 4222 Beam Road. To access the parking area, take Water Ridge Parkway to Yorkmont Road and turn left on Yorkmont Road. At the first traffic light, turn left on Beam Road. The parking lot will be approximately .6 miles ahead on the left side of the road. Students may then take the walkway from the parking lot down to the school. (The lot is monitored by a uniformed security officer from 6:00 a.m. until 5:00 p.m. Monday through Friday.)

PERMIT PARKING

With a permit, parking is available in the lot directly in front of The Art Institute of Charlotte. A parking permit must be purchased to park in this lot from 7:00 a.m. until 4:30 p.m. Monday through

Friday. A permit is not required outside of these hours or on weekends. Students driving to school should be aware that space for parking is limited. Students should arrive early enough to find a space prior to classes.

Commuters may consider using public transportation. The Charlotte Area Transit System (CATS) bus stop is only a short walk from campus. Route maps and additional information concerning public transportation are available in the Student Accounting office. We also offer a shuttle to Lynx, the public light-rail system. This service is available at no cost to all Art Institute of Charlotte students, staff, and faculty. Please see staff in the Housing office for a schedule of light-rail runs.

DISPLAYING YOUR PERMIT

Your permit must be hung on the rearview mirror in such a manner as to make it appear clearly when viewed through the front windshield. Cars not displaying permits properly will be ticketed, towed or booted. The car's owner will incur towing charges or a fee for removal of a boot. Failure to display a current permit – even if one has been purchased – also will result in booting.

CAR POOLS, MULTI-CAR DRIVERS

Drivers who carpool may reduce the expense of parking by purchasing one permit and sharing the cost. Moving the permit from one car to another is permissible; **however, the permit must be properly displayed on the car that is parked at The Art Institute of Charlotte.**

A bulletin board has been placed in the student lounge to assist students in finding other students for car-pooling.

PARKING FOR PERSONS WITH DISABILITIES

The college provides special parking spaces for persons with disabilities requiring closer access. Vehicles parked in designated spaces should clearly display a disability permit issued by the Department of Motor Vehicles. Vehicles not displaying the required permit may be towed at the owner's expense and are subject to a fine of up to \$500.

ENFORCEMENT

Failure to abide by the parking regulations and guidelines may result in a ticket and/or having a vehicle booted or towed at the owner's expense. Cars parked in other LakePointe parking lots may be towed without notice at the owner's expense.

Please Note: The Art Institute of Charlotte assumes no responsibility for any motor vehicle operated or parked in an Art Institute of Charlotte lot or any other facility, or for the contents of these vehicles. The Art Institute of Charlotte will not be responsible for any vehicle that is towed or booted.

FOR YOUR CONVENIENCE

Parking spaces located in close proximity to the college are limited. Students will find it easier to find a parking space if they leave sufficient time prior to the start of classes. Even more convenient is ride-sharing or using CATS. For resident students, there is a free shuttle between student housing and the academic campus. For more information, contact the Student Affairs Office.

Do

- Display a current Art Institute of Charlotte parking pass and park in designated parking spaces in The Art Institute of Charlotte lot.
- Remove your keys and all valuables from your car and lock it.
- Be alert for pedestrians.
- Observe traffic regulations, posted speed limits, etc.
- Consider using a carpool or CATS when possible.

Don't

- Park in spaces reserved for visitors or persons with disabilities.
- Park in areas posted "No Parking" or areas designated for faculty and staff.

Any student who falls behind with his or her financial obligation to The Art Institute of Charlotte may be subject to dismissal from school. Financial obligations must be met before a student may receive a degree or certificate. The Art Institute of Charlotte will not provide academic transcripts to other colleges until financial obligations have been fulfilled.

WITHDRAWALS

If a student must withdraw from The Art Institute of Charlotte, he or she must meet with either the Dean of Academic Affairs or the Registrar to discuss the reason for withdrawing. Additionally, students are required to meet with a financial administrator to discuss any outstanding balances, loans, refunds and other financial matters. In all cases, the date used for calculating grades and financial obligations is the student's last date of attendance in school.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

The Family Educational Rights and Privacy Act (FERPA) of 1974, as amended, sets out requirements designed to afford students certain rights with respect to their educational records. In addition, it puts limits on what information The Art Institute of Charlotte may disclose to third parties without receiving prior written consent from the student.

I. PROCEDURE TO INSPECT EDUCATION RECORDS

Students have the right under FERPA to inspect and review their education records. A student who wishes to inspect and review his or her records should submit a written request to the Dean of Academic Affairs at The Art Institute of Charlotte. The request should identify as precisely as possible the records the student wishes to inspect. If the requested records are subject to inspection and review by the student, arrangements for access will be made within a reasonable period of time but in no case more than 45 days after the request was made. The student will be notified of the time and place where the records may be inspected. The school may require the presence of a school official during the inspection and review of a student's records.

Certain limitations exist on a student's right to inspect and review his or her own education records. Those limitations include, for example, the following: (i) financial information submitted by parents; (ii) confidential letters and recommendations placed in their files prior to January 1, 1975, (iii) confidential letters and recommendations placed in their files after January 1, 1975, to which the student has waived his or her right to inspect and review and that are related to the student's admission, application for employment or job placement, or receipt of honors. In addition, the term "education record" does not include certain types of records such as, by way of example, records of instructional, supervisory, administrative and certain educational personnel that are in the sole possession of the maker thereof, and are not accessible or revealed to any other individual except a substitute. When a record contains personally identifiable information about more than one student, the student may inspect and review only the information that relates to him or her personally.

II. DISCLOSURE OF EDUCATIONAL RECORDS

The Art Institute of Charlotte generally will not permit disclosure of personally identifiable information from the records of a student without prior written consent of the student. Personally identifiable information is disclosed (some items are mandatory, some discretionary) from the records of a student without that student's prior written consent to the following individuals or institutions or in the following circumstances:

1. To The Art Institute of Charlotte officials who have been determined by the school to have legitimate educational interests in the records. A school official is
 - a. A person employed by the school in an administrative, supervisory, academic or research or support staff position; or
 - b. A person employed by or under contract to the school to perform specific tasks, such as an auditor, consultant, or attorney, a person on the Board of Trustees, or a student

serving on an official committee or assisting another school official.

Any school official who needs information about a student in the course of performing instructional, supervisory, advisory or administrative duties for The Art Institute of Charlotte has a legitimate educational interest.

2. To certain officials of the United States Department of Education, the Comptroller General of the United States, the Attorney General of the United States, and state and local educational authorities in connection with state or federally supported educational programs.
3. In connection with the student's request for or receipt of financial aid necessary to determine the eligibility, amounts or conditions of financial aid, or to enforce the terms and conditions of the aid.
4. To organizations conducting certain studies for or on behalf of the school.
5. To accrediting commissions or state licensing or regulatory bodies to carry out their functions.
6. To parents of a dependent student, as defined in Section 152 of the Internal Revenue Code.
7. To comply with a judicial order or lawfully issued subpoena.
8. To appropriate parties in health or safety emergencies.
9. To officials of another corporate or Art Institute school, upon request, in which a student seeks or intends to enroll.
10. To an alleged victim of a crime of violence or a non-forcible sexual offense, the final results of the disciplinary proceedings conducted by the school against the alleged perpetrator of that crime or offense with respect to that crime or offense.
11. To persons in addition to the victim of a crime of violence or non-forcible sexual offense, the final results of the disciplinary proceedings described in paragraph 10 above, but only if the school has determined that a student is the perpetrator of a crime of violence or non-forcible sexual offense, and, with respect to the allegation made against him or her, the student has committed a violation of the institution's rules or policies. (The school, in such instances, may only disclose the name of the perpetrator, not the name of any other student, including a victim or witness without the prior written consent of the other student(s).)
12. To a parent regarding the student's violation of any federal, state or local law or of any rules or policy of the school governing the use or possession of alcohol or a controlled substance if the school determines that the student has committed a disciplinary violation with respect to that use or possession, and the student is under 21 at the time of the disclosure to the parent.
13. Directory information (see Section IV below).

III. RECORD OF REQUESTS FOR DISCLOSURE

Except with respect to those requests made by students themselves, those disclosures made with the written consent of the student, or to requests by or disclosures to Art Institute of Charlotte officials with legitimate educational interests and disclosures of directory information (or other exceptions described in the applicable regulations), The Art Institute of Charlotte will maintain a record indicating the parties who have requested or obtained personally identifiable information from a student's education records and the legitimate interests those parties had in requesting or obtaining the information. This record may be inspected by the student.

IV. DIRECTORY INFORMATION

The Art Institute of Charlotte designates the following information as directory information. (Directory information is personally identifiable information that may be disclosed without the student's consent):

1. Student's name
2. Address: Local, email and website
3. Telephone number (local)
4. Date and place of birth
5. Program of study
6. Participation in officially recognized activities
7. Dates of attendance
8. Degrees and certificates awarded
9. Most recent previously attended school
10. Photograph of the student, if available
11. Enrollment status (e.g., enrolled, continuing, future enrolled student, re-entry, leave of absence.)

Notice of these categories and of the right of an individual in attendance at The Art Institute of Charlotte to request that his or her directory information be kept confidential will be given to the student annually. Students may request nondisclosure of student directory information by specifying nondisclosure, in writing, to the Office of the Registrar, The Art Institute of Charlotte, Three LakePointe Plaza, 2110 Water Ridge Parkway, Charlotte, NC 28217-4536. Failure to request nondisclosure of directory information will result in routine disclosure of one or more of the above-designated categories of personally identifiable directory information.

V. CORRECTION OF EDUCATIONAL RECORDS

Students have the right under FERPA to ask to have records corrected which they believe are inaccurate, misleading, or in violation of their privacy rights. Procedures for the correction of records:

1. A student must ask the Dean of Academic Affairs to amend a record. As part of the request, the student should identify the part of the record they want to have changed and specify why they believe it to be inaccurate, misleading or in violation of his or her privacy rights.
2. The Art Institute of Charlotte may either amend the record or decide not to amend the record. If it decides not to amend the record, it will notify the student of its decision and advise the student of the right to a hearing to challenge the information believed to be inaccurate, misleading or in violation of the student's privacy rights.
3. Upon request, The Art Institute of Charlotte will arrange for a hearing and notify the student reasonably in advance of the date, place and time of the hearing. An individual who does not have a direct interest in the outcome of the hearing will conduct the hearing. That individual may be an official of The Art Institute of Charlotte. The student shall be afforded a forum for the opportunity to present evidence relevant to the issues raised in the original request to amend the student's education records. The student may be assisted by other people including an attorney.
4. The Art Institute of Charlotte will prepare a written decision based solely on the evidence presented at the hearing. The decision will include a summary of the evidence and the reasons for the decision.
5. If, as a result of the hearing, The Art Institute of Charlotte decides that the information is inaccurate, misleading or otherwise in violation of the privacy rights of the student, it will (a) amend the record accordingly, and (b) inform the student of the amendment in writing.
6. If, as a result of the hearing, The Art Institute of Charlotte decides that the information in the education record is not inaccurate, misleading or otherwise in violation of the privacy rights of the student, it shall inform the student of the right to place a statement in the record commenting on the contested information in the record or stating why he or she

disagrees with the decision of the school.

7. If a statement is placed in the education records of a student under paragraph 6 above, The Art Institute of Charlotte will:
 - (a) Maintain the statement with the contested part of the record for as long as the record is maintained, and
 - (b) Disclose the statement whenever it discloses the portion of the record to which the statement relates.

VI. STUDENT RIGHT TO FILE COMPLAINT

A student has the right to file a complaint with the United States Department of Education concerning alleged failures by The Art Institute of Charlotte to comply with the requirements of FERPA. The name and address of the governmental office that administers FERPA is:

Posters and signs may not be affixed to walls, elevators, or other places not intended for their display.

PORTABLE TELECOMMUNICATIONS DEVICES

The Art Institute of Charlotte is committed to providing an atmosphere that enables the highest quality of student learning. In order to ensure the maintenance of such an environment, The Art Institute of Charlotte prohibits the use of portable telecommunications devices (cellular telephones, pagers, beepers, radios, etc.) in classrooms during class meetings and in the Library. Such devices should be disabled prior to class periods to prevent interruption during classes.

Failure to adhere to this regulation may result in grade adjustments, dismissal from class, and disciplinary action.

STUDENT RIGHTS AND RESPONSIBILITIES

Students of The Art Institute of Charlotte are members of a special community of artists and scholars and, as such, have the right to take full advantage of the opportunities afforded for inquiry, artistic expression, and professional and personal development. A community, however, must protect those rights for others and provide an orderly environment in order to achieve its academic mission. There are, therefore, responsibilities and expectations each student accepts when becoming a part of The Art Institute of Charlotte community. The Honor Code (page 4) and other college regulations form the nucleus of the expectations of an Art Institute student. Infractions of school policy may be categorized as *academic* and *non-academic* although there may be instances where an alleged infraction falls into both categories and may be addressed through academic and non-academic procedures.

STUDENT CONDUCT POLICY

Students whose conduct is detrimental to the educational process or disruptive to The Art Institute of Charlotte environment may be subject to discipline. Instructors as well as students have the right to teach and learn in a safe and productive environment. No one shall infringe upon this right at The Art Institute of Charlotte. The Art Institute of Charlotte reserves the right to suspend or permanently terminate any student whose conduct is detrimental to the teaching environment within the classroom or to the well-being of fellow students and/or faculty and staff members, or who causes damage to the appearance or structure of The Art Institute of Charlotte facility and/or equipment therein; or who cheats, copies or otherwise plagiarizes the artwork or assignments/projects of other students or professionals, verbally abuses, insults, physically or psychologically threatens or intimidates other students, faculty or staff, or who otherwise displays conduct detrimental to his or her own academic progress or ultimate success in the field for which he or she is being educated. Disciplinary issues are handled through the office of the Dean of Student Affairs or through the office of the Dean of Academic Affairs.

General Student Complaint Procedure

Students with a complaint or problem are encouraged to follow the student complaint procedure:

1. Students should discuss complaints with the individual(s) within the appropriate department. Initial discussion should be with the person most knowledgeable of the issues involved or with immediate decision-making responsibility.
2. Students who feel the complaint has not been fully addressed should submit a written account to the Dean of Student Affairs if related to non-academic issues or to the Dean of Academic Affairs for academic issues. The written account should include the student's name, phone number, and student I.D. number, and it should include an account of the steps the student

has taken to remedy the situation.

3. The Art Institute of Charlotte staff member or department against which the student is making the complaint will be notified. A follow-up meeting with the student and the Dean of Student Affairs and/or the Dean of Academic Affairs will be held within ten school days from the date of the written complaint in an effort to resolve the issue.
4. Students dissatisfied with the results may file an appeal with the President's office. The appeal should be in writing and contain the student's name and phone number. The student should summarize the steps taken to remedy the situation and indicate why the results are dissatisfactory. The student will hear the results of the appeal within thirty calendar days from the date the appeal is received.

Students should refer to the school's arbitration policy for additional information regarding disputes or claims.

Arbitration of Disputes

You and The Art Institute of Charlotte ("The Art Institute of Charlotte") agree that any dispute or claim between you and The Art Institute of Charlotte (or any company affiliated with The Art Institute of Charlotte, or any of its officers, directors, trustees, employees or agents) arising out of or relating to this enrollment agreement or, absent such agreement, your enrollment or attendance at The Art Institute of Charlotte, whether such dispute arises before, during, or after your attendance and whether the dispute is based on contract, tort, statute, or otherwise, shall be, at your or The Art Institute of Charlotte's election, submitted to and resolved by individual binding arbitration pursuant to the terms described herein.

If you decide to initiate arbitration, you may select either JAMS or the National Arbitration Forum ("NAF") to serve as the arbitration administrator pursuant to its rules of procedure. If The Art Institute of Charlotte intends to initiate arbitration, it will notify you in writing by regular mail at your latest address on file with The Art Institute of Charlotte, and you will have 20 days from the date of the letter to select one of these organizations as the administrator. If you fail to select an administrator within that 20-day period, The Art Institute of Charlotte will select one.

The Art Institute of Charlotte agrees that it will not elect to arbitrate any individual claim of less than \$5,000 that you bring in small claims court (or in a similar court of limited jurisdiction subject to expedited procedures). If that claim is transferred or appealed to a different court, however, or if your claim exceeds \$5,000, The Art Institute of Charlotte reserves the right to elect arbitration, and, if it does so, you agree that the matter will be resolved by binding arbitration pursuant to the terms of this Section.

IF EITHER YOU OR The Art Institute of Charlotte CHOOSES ARBITRATION, NEITHER PARTY WILL HAVE THE RIGHT TO A JURY TRIAL, TO ENGAGE IN DISCOVERY, EXCEPT AS PROVIDED IN THE APPLICABLE ARBITRATION RULES, OR OTHERWISE TO LITIGATE THE DISPUTE OR CLAIM IN ANY COURT (OTHER THAN IN SMALL CLAIMS OR SIMILAR COURT, AS SET FORTH IN THE PRECEDING PARAGRAPH, OR IN AN ACTION TO ENFORCE THE ARBITRATOR'S AWARD). FURTHER, YOU WILL NOT HAVE THE RIGHT TO PARTICIPATE AS A REPRESENTATIVE OR MEMBER OF ANY CLASS OF CLAIMANTS PERTAINING TO ANY CLAIM SUBJECT TO ARBITRATION. THE ARBITRATOR'S DECISION WILL BE FINAL AND BINDING. OTHER RIGHTS THAT YOU OR The Art Institute of Charlotte WOULD HAVE IN COURT ALSO MAY NOT BE AVAILABLE IN ARBITRATION.

The arbitrator shall have no authority to arbitrate claims on a class action basis, and claims brought by or against you may not be joined or consolidated with claims brought by or against any other person. Any arbitration hearing shall take place in the federal judicial district in which you reside. Upon your written request, The Art Institute of Charlotte will pay the filing fees charged by the arbitration administrator, up to a maximum of \$3,500 per claim. Each party will bear the expense of its own attorneys, experts and witnesses, regardless of which party prevails, unless applicable law or this Agreement gives a right to recover any of those fees from the other party. If the arbitrator determines that any claim or defense is frivolous or wrongfully intended to oppress the other party, the arbitrator may award sanctions in the form of fees and expenses reasonably incurred by the other party (including arbitration administration fees, arbitrators' fees, and attorney, expert and witness fees), to the extent such fees and expenses could be imposed under Rule 11 of the Federal Rules of Civil Procedure.

The Federal Arbitration Act ("FAA"), 9 U.S.C. §§ 1, *et seq.*, shall govern this arbitration provision. This arbitration provision shall survive the termination of your relationship with The Art Institute of Charlotte. If you have a question about the arbitration administrators mentioned above, you can contact them as follows: JAMS, 45 Broadway, 28th Floor, New York, NY, 10006, www.jamsadr.com, 800-352-5267; National Arbitration Forum, P.O. Box 50191, Minneapolis, MN, 55405, www.arb-forum.com, 800-474-2371.

3. The Dean of Student Affairs or Dean of Academic Affairs will investigate the allegations. Both the complainant and the accused will have the opportunity to meet and discuss the allegations with the investigator and may offer any witnesses in support of their position to the investigator during the course of the investigation. A student may be accompanied during investigation meetings and discussions by one person (family member, friend, etc.) who can act as an observer, provide emotional support and/or assist the student in understanding and cooperating in the investigation. The observer may not be an attorney unless otherwise

required by local law. The investigator may prohibit from attending or remove any person who disrupts the investigation at the investigator's sole discretion.

STUDENT CONDUCT POLICY

GUIDING PRINCIPLES.

The Art Institute of Charlotte recognizes its students as responsible and dedicated men and women who are preparing for career employment. An integral part of their career and professional development is the expectation that they conduct themselves during the education process in the same manner as will be expected in all employment situations.

As members of the college community, students have responsibilities and duties commensurate with their rights and privileges. In this policy, The Art Institute of Charlotte provides guidance to students regarding those standards of student conduct and behavior that it considers essential to its educational mission. By enforcing its Student Conduct Policy, the college neither substitutes for nor interferes with other civil or criminal legal processes. DISCIPLINARY PROCEDURES:

Complaint

Any member of The Art Institute of Charlotte community may file a complaint against any student for misconduct or for otherwise being in violation of The Art Institute of Charlotte policies.

1. The complaint shall be prepared in writing or in an incident report and directed to the Chief Conduct Officer or his/her delegate.
2. The written complaint or incident report should include the nature of the offense, date, approximate time, and location of incident. The name of the victim, offender and any witness/s may be included.
3. Complaints or incident reports should be submitted within 48 hours after the alleged violation occurred unless there are extenuating circumstances requiring a longer time frame.

The Chief Conduct Officer or a delegate may review and investigate the complaint to determine if the allegations have factual merit, to identify violations of the student conduct policy, and to impose sanctions for such violations.

Generally, the accused should be given the opportunity to tell his or her account of the situation and to provide this information in writing unless The Art Institute of Charlotte determines that the circumstances do not warrant disclosure of some or all of the facts.

Search of Student's Property

Students have no expectation of privacy in their personal property while on campus. The Art Institute of Charlotte reserves the right to search the contents of students' personal property or belongings at any time and for any reason, including when there is reasonable suspicion on the part of the Institute staff that a risk to the health, safety or welfare of students and/or the school community exists, and including searches pursuant to an investigation of potential wrong-doing. This includes but is not limited to vehicles brought onto property leased, owned or controlled by the school, backpacks, portfolios and clothing. This policy also applies to student property in school-sponsored housing, student e-mail and/or computers.

Notification and Determination of violations that warrant Disciplinary Meeting

1. The Chief Conduct Officer or a delegate may choose to conduct a disciplinary meeting. Potential attendees include a student or students, the Chief Conduct Officer or his/her delegate, and others who may have relevant information. The student should receive advance notice of the allegations and the reason for the meeting.
2. After the meeting, the Chief Conduct Officer or his/her delegate will determine whether it is more likely than not that a violation occurred, may render and communicate the decision to the student in writing, which shall describe the violation and the sanctions imposed, if any, and the student's right to appeal. If the Chief Conduct Officer determines that there was no violation, that decision may be documented in writing to the student as well.
 - a. If a student fails to appear for the meeting, the Chief Conduct Officer or his/her delegate may make a determination of violations of The Art Institute of Charlotte policies on the basis of the information available and impose sanctions for such violations.

Notification and Determination of violations that warrant Disciplinary Hearing

In some cases involving serious violations, the Chief Conduct Officer or delegate, hereby referred to as "Hearing Officer," in his or her sole discretion, may choose to assemble a disciplinary panel to adjudicate the process.

1. The Hearing Officer may immediately (before a hearing takes place) remove the student from the campus community pursuant to an Interim Suspension until the Disciplinary Panel is convened. (See interim suspension)
2. The student should receive advance notice of the allegations and the reason for the meeting. A student may forgo attendance at the hearing, and a determination of the sanction will be made by the Disciplinary Panel
3. Hearings normally shall be conducted in private. The Disciplinary Hearing is an academic hearing, not a legal hearing. Therefore, legal counsel is not allowed at the hearing.
4. The student may be accompanied by one person (family member, friend, etc) to provide support. The committee may prohibit from attending or remove any person who disrupts the proceedings of the committee
5. In Hearings involving more than one student, the Hearing Officer, in his or her discretion, may permit the hearing concerning each student to be conducted separately.
6. The Disciplinary Panel may hear from any person who may have relevant information and the Panel may review any documents presented to them.
 - a. Pertinent records, documents and written statements may be considered by the Hearing Officer at his/her discretion.
 - b. The Disciplinary Panel may ask questions and may seek information not provided to it.
7. The Disciplinary Panel may determine whether it is more likely than not that a violation occurred. The Panel should communicate to the Hearing Officer its decision and its recommended sanction, if any.
8. After the Hearing, the Hearing Officer will issue a written decision to the accused student which identifies the accusations and the panel's conclusions, any sanctions, and the student's right of appeal.

9. In general, the accused should have access to the documentation reviewed by the panel; however, identifying names and information may be removed from the documentation when necessary to protect other student's privacy rights.

Disciplinary Panel

A Disciplinary Panel may consist of members of the college Executive Committee, campus staff, faculty or student body. When students are permitted on the panel, the accused student should sign a form granting permission to release his/her educational records to a student serving on the panel. Failure to sign the permission constitutes an agreement to have no student on the panel.

Administrative Interim Suspension

Students may be administratively suspended on an interim basis when:

- (1) serious allegations are being investigated,
- (2) serious allegations are pending before a disciplinary panel,
- (3) in advance of a disciplinary panel hearing, or
- (4) when a student potentially poses a threat of harm to himself, to others, or to property of the Institute or a member of the Institute community.

During the interim suspension, students are denied access to college-sponsored housing and/or to the school (including classes, labs, library) and/or all other school activities or privileges for which the student might otherwise be eligible, as the Chief Conduct Officer or designee may determine to be appropriate. This interim suspension period should last no longer than three business days, and the Chief Conduct Officer or delegate may make reasonable provisions for accommodation of a student in school-sponsored housing.

The interim suspension is not to be considered disciplinary, but it is a tool to separate potential adversaries until a reasoned decision can be made.

APPEAL PROCEDURES.

Students have a right to appeal disciplinary actions when they believe they have extenuating circumstances or believe they have been treated in an arbitrary or biased fashion or without adherence to The Art Institute of Charlotte policies and procedures.

- During an appeal, the student should continue to obey the terms of the decision, i.e., a student who has been suspended from school may not be on school property, a student dismissed from school-sponsored housing must leave in accordance with the directions indicated in the decision.
- The student must write a letter of appeal in the student's own words addressed to the President of The Art Institute of Charlotte or his/her delegate. This letter must clearly state the extenuating circumstances or the grounds for believing the decision was arbitrary or biased or that it was without adherence to The Art Institute of Charlotte's policies and procedures, and must provide any supporting documentation. It must be delivered to the President or his/her delegate within three calendar days following the student's receipt of the decision.
- Students should provide documentation to support the allegations of the appeal.
- The President or his/her delegate may appoint an ad hoc committee to review appeals and make a recommendation regarding disposition of the appeal within 30 days of the date of receipt of the appeal. This committee will be comprised of faculty or staff members not involved in making the initial disciplinary decision.
- The President and/or the committee may decide to convene an appeal hearing. The student will be informed notified in writing of the date and time of the appeal. The student is expected to attend the meeting, and failure to do so, for other than documented emergencies, may be considered forfeiture of the right to present further information regarding the appeal.
- The student making the appeal may be provided an opportunity to address the committee in person. The student may be accompanied by one person (family member, friend, etc) as an

observer. The committee may prohibit from attending or remove any person who disrupts the proceedings of the committee.

- The Appeal Committee is an academic hearing, not a legal hearing. Therefore, legal counsel is not allowed at the meeting.
- Audio recording of the academic hearing is not permitted. Minutes of the meeting are confidential.
- Following appropriate review and deliberation, the committee will report back to the President or his/her delegate with its recommendation following its review of the appeal. The President or his/her delegate will render a written decision on the appeal within thirty calendar days from receipt of the appeal. The decision will be final.

Students wishing to appeal dismissal from Student Housing may do so in the following manner:

- The student must obey the terms of the decision pending the outcome of the appeal. For example, a student who has been dismissed from housing must abide by all sanctions in accordance with the directions indicated in the decision.
- The student must write a letter of appeal addressed to the Dean of Student Affairs of The Art Institute of Charlotte or his or her delegate. This letter will give the student the opportunity to indicate his or her position on the decision. The letter must detail all bases for the appeal. Appeals will only be considered if the student can present evidence that the case has been mishandled and/or if they are presenting new evidence or information which may affect the legitimacy of the eviction. The letter of appeal must be delivered to the Dean of Student Affairs or his or her delegate within three calendar days following the student's receipt of the eviction decision.
- The Dean of Student Affairs or his or her delegate shall appoint a committee to review appeals and make a recommendation regarding disposition of the appeal. This committee will be comprised of staff members not involved in making the initial disciplinary decision. The student making the appeal and the person bringing the charges may be provided an opportunity to address the committee in person. The student may be accompanied by one person (family member, friend, etc.) as an observer. The student may not be accompanied by an attorney. The committee may prohibit from attending or remove any person who disrupts the proceedings of the committee. The committee shall determine all matters relating to the conduct of the hearing including, for example, relevancy of evidence, duration of the hearing or any part thereof, procedures, and the weight to be given any evidence.
- The committee will report back to the Dean of Student Affairs or his or her delegate with its recommendation following the review of the appeal. The Dean of Student Affairs or his or her delegate will render a written decision on the appeal within 30 calendar days from receipt of the appeal and communicate same promptly to the student.
- Housing disciplinary and administrative decisions (other than cases of dismissal) including verbal warnings, written warnings, probation, and relocation may be appealed to the Director of Housing. The decisions of the Director of Housing in these cases will be final.

NON-DISCRIMINATION POLICY

The Art Institute of Charlotte does not discriminate on the grounds of race, color, creed, national origin, religion, sex, age, ancestry, sexual orientation, genetic marker or disability in the administration of any of its educational programs, services and activities or with respect to admission and employment.

SEXUAL HARASSMENT POLICY

The Art Institute of Charlotte is committed to providing a workplace and educational programs and

activities for employees, faculty, students and applicants for admission which are free from harassment. Harassment in any manner or form is expressly prohibited. All claims of harassment are to be investigated promptly and thoroughly, and appropriate action will be taken based upon the results of the investigation.

DEFINITION

Sexual harassment consists of unwelcome, offensive, abusive, belittling or threatening behavior. It may be based on some real or perceived difference that may lead to the person harassed being offended, humiliated, intimidated or disadvantaged. It may include sexual harassment, racial harassment and/or harassment based on disability. Sexual harassment consists of unwelcome sexual advances, requests for sexual favors, or other verbal or physical conduct of a sexual nature directed toward an employee, student or applicant for admission where:

1. Submission to the conduct is an explicit or implicit term or condition of employment, a person's status in a course, in a program, in an activity, in admission, or in an academic decision; or
2. Submission to or rejection of the conduct is used as the basis for academic evaluation or employment decisions, or
3. The conduct has the purpose or effect of unreasonably interfering with an individual's work or academic performance, or creating an intimidating, hostile or offensive work environment.

PROBLEM RESOLUTION

Employees, students or other individuals who feel that they have been harassed have several ways to make their concerns known. In some instances, bringing the offensive behavior to the attention of the person engaging in the conduct is all that is necessary to solve the existing or potential problem. Employees may always report the conduct to their supervisor, or, if the employee's supervisor is the source of the alleged harassment, then to the next appropriate management level. Reports of harassment involving employees should always be reported to the Human Resources Director. Students who feel they have been harassed should bring their concerns to the attention of their Academic Department Director, Dean of Academic Affairs, or school President.

All information disclosed will be kept as confidential as possible, but some disclosure to those with a need to know or for purposes of investigation may be necessary. Regardless of the method of problem resolution, a person who initiates a harassment complaint will not be the subject of retaliation or discipline, nor will the initiation of the complaint affect employment, compensation or work assignments for employees, or grades, class selection, or other matters for students.

RESPONSIBILITY FOR IMPLEMENTATION

All levels of administration and management are responsible for implementing this policy and helping to create an environment free of harassment. Administrators, managers and supervisors who receive a harassment complaint should report it immediately to the Human Resources Director who will investigate the matter carefully and attempt to correct any problem. The complaint and the details surrounding it, as well as the investigative steps and any findings, will be documented.

ANTI-HAZING POLICY

Hazing involving students of The Art Institute of Charlotte or student groups is strictly prohibited. Hazing is defined as any action or situation that recklessly or intentionally endangers the mental or physical health or safety of a student for the purpose of initiation, or admission into, or affiliation with any club or organization operating under the sanction of an institution of higher education.

For purposes of this definition, any activity as described in this definition upon which the initiation or admission into or affiliation with a club or organization is directly or indirectly conditioned shall be presumed to be forced activity, the willingness of an individual to participate in such activity notwithstanding. This policy is applicable to all students and members of any student club or organization at The Art Institute of Charlotte. Every student and member of a student club or

organization is responsible for complying with this policy.

Individuals and/or student clubs that force, require and/or endorse violations will be held directly responsible through the college's student conduct process and, if appropriate, through local authorities which may pursue criminal action. Students who wish to make a complaint under this policy should contact the Dean of Student Affairs located on the first floor. The negligence or consent of a student or any assumption of risk by the student is not a defense to an action brought pursuant to this policy. Student club activities or programs must not interfere with the rights and activities of others and should always reflect the best interests of the members of the organization it represents and the college community as a whole. In all cases of alleged violations of this policy, faculty and staff advisors and the national/international headquarters, if applicable, of any organization will be notified.

NON-FRATERNIZATION POLICY

Because of the unequal status that exists between faculty and students and the possibility of favoritism, social relationships between faculty and students are prohibited. Such relationships also are prohibited between staff and students.

DRUG-FREE WORKPLACE AND CAMPUS

The use of illegal drugs and the abuse of alcohol on the campus of The Art Institute of Charlotte or in facilities controlled by The Art Institute of Charlotte are prohibited by college regulations and are incompatible with The Art Institute of Charlotte's goal of providing a healthy educational environment for students, faculty, staff and guests. The following information is provided in compliance with the Drug-Free Schools and Communities Act Amendments of 1989.

The risk of contracting sexually transmitted diseases, including AIDS, is increased through unwanted or unprotected sex when one is under the influence of drugs or alcohol. SAFETY TIPS

Prevention is the best protection against crime. Some precautions students can take to assure greater security include:

At Home

- Leaving at least one light on inside and out, if possible, when away. Using a timer to turn lights on and off.
- Keeping doors and windows locked, even when at home or if leaving for a few minutes.
- NEVER opening the door without knowing who is there. Requiring the caller to identify himself or herself satisfactorily. Using a chain bolt when checking an ID. If a stranger asks to use a phone, DO NOT PERMIT HIM OR HER TO ENTER. Make the call for that person if you believe it is an actual emergency.
- Keeping in touch with your neighbors. Watching each other's apartments, and letting each other know of anything that appears suspicious.
- Never giving out personal information such as an address.
- Reporting threatening or harassing calls to the police or company.

When Walking

- Planning the safest route to a destination and using it. Choosing well-lighted busy pathways and streets to avoid alleys, vacant lots or construction sites. Taking a longer way if it is safer.
- Knowing the neighborhood and the campus. Finding out which buildings are open late or early, and where to go to summon help.
- Carrying a purse close to the body and keeping a firm grip on it. Carrying a wallet in an

inside coat or side trouser pocket, not in the rear trouser pocket.

- Not flaunting expensive jewelry or clothing or flashing cash.
- Having a car or house key in hand and ready when approaching one's vehicle or home.
- Never hitchhiking.

While Traveling

- Keeping doors locked and windows rolled up, especially at stoplights. Always locking the car and taking the keys. Keeping valuables out of sight in the trunk. Parking in areas that will be well-lit when returning. Checking the back seat and the area around the car before getting in.
- Car Trouble: Raising the hood. Putting on emergency flashers. Staying inside the car and locking the doors. Asking anyone who stops to help to call the police or the nearest service station.
- On public transportation: Waiting in well-lit areas near other people. Staying in the more populated area of the bus. Asking for help from any transportation employee.

Responding to an Attack

In any situation, the main goal is to get away with the least injury to oneself. If an attacker only wants valuables, one should give them up. Valuables can be replaced; a life cannot. Police should be notified immediately.

Learning to defend one's self is a good idea; however, one should not overestimate his or her abilities. It may take lots of practice before techniques can be used effectively.

A wallet, purse or books should not be left unattended at school or visible in a car. The Art Institute of Charlotte is not responsible for the loss of or damage to students' personal property.
