¹ Certain courses may be offered in an online format. In addition to the regular tuition charge, a \$100 online fee is charged for each online course attempted. This fee covers the cost of software support.
² Starting kits are optional. Kit prices in effect for Summer 2009 through Spring 2010 and are subject to change. Photography students may choose from a kit without a digital SLR camera (Option A) or with a digital SLR camera (Option B).
³ A student activity fee is used to fund the administration and function of extracurricular student activities. It is a one-time fee paid upon enrollment.
⁴ A \$300 quarterly lab fee is charged in each quarter that a student registers for culinary lab courses, typically quarters 1-6 (quarters 1-3 in Diploma). Students who repeat lab courses are charged accordingly. The lab fee is treated as tuition for refunding purposes.
⁵ Based on current credit-hour rate, tuition cost will increase with each credit-hour rate increase that may occur throughout the duration of the program. The total tuition charged for any program is increased from the above stated charges if a student is required to take transitional studies and/or language studies courses. Additional tuition for those courses will not exceed the rate charged for all other courses.
