REFUND POLICY

In all cases, refunds will meet or exceed the requirements of TEC Section 132.061.

As allowed under federal, state, and accreditation agency rules, the refund policy may be changed. Students will be notified 60 days in advance of any changes.

REFUND POLICY PRIOR TO MATRICULATION

Applicants may cancel their enrollment in person or in writing before the beginning of classes. An applicant not requesting cancellation before the scheduled starting date indicated on this Enrollment Agreement will be considered a student.

- All monies paid by applicants will be refunded if they are not accepted for admission.
- All monies paid by the applicant will be refunded if requested by the applicant within five business days after signing this Enrollment Agreement and making an initial payment.
- Applications requesting cancellation more than five business days after signing the Enrollment Agreement (and making an initial payment) but prior to the beginning of classes will receive a refund of all monies paid, less the \$50 application fee when requested in writing.
- All tuition and fee monies paid by applicants will be refunded if requested within three business days after their first tour of the school and inspection of equipment or if requested within three business days of the student's attendance at the regularly scheduled orientation program for their starting quarter, whichever is sooner.
- Refunds will be made within 30 calendar days after the applicant's/student's request or within 30 calendar days after his/her first scheduled class day.

RETURN OF FEDERAL TITLE IV AID

A percentage of Federal Title IV Aid will be returned if the student withdraws during the first 60% of the quarter. The amount returned will be based on the percentage of days remaining in the quarter. The school will determine the calendar days completed in the quarter divided by the total number of calendar days in the quarter. If the amount is less than or equal to 60%, then that percent of the Federal Title IV Aid received is the amount that can be retained. The difference will be returned to the Federal Title IV Aid program from which funds were received in this order: Unsubsidized Stafford Loan, Subsidized Stafford Loan, Perkins Loan, PLUS Loan, Pell Grant, Federal ACG Grant, Federal SMART Grant, SEOG.

If Federal Title IV Aid funds have been disbursed to the student, and if the student withdraws during the first 60% of the quarter, the student may be required to return some of those funds. If this is the case, the school will notify the student regarding how much is owed, and how it is to be returned.

RETURN OF TITLE IV FUNDS

The Return of Title IV Calculation as described in the Enrollment Agreement for the Session II classes will apply using the Session II start and end dates.

REFUND POLICY AFTER MATRICULATION, ALL QUARTERS

In the event of withdrawal by the student or termination by The Art Institute of Houston — North during any quarter of study:

- Prepaid tuition and fees for any period beyond the student's current quarter will be refunded in full.
- The school shall determine the date of withdrawal within thirty days after the last date of attendance and shall pay the refund within thirty days of making that determination. The refund shall be paid to the student, unless payment to a lender or other entity is required by the terms of a student financial aid program in which the school participates.
- The student may voluntarily withdraw from training by notifying the Office of the Registrar in person or in writing. The termination date will be the student's last date of attendance. For a student who attended a previous quarter of study and did not indicate that he/she was not returning, refunds will be made within thirty days of the first scheduled day of class in the quarter in which the student was expected to return.
- For students on a written leave of absence who fail to show up for class following conclusion of their leave, refunds will be made within thirty days from their first scheduled class day.
- In the event of a fully documented extreme illness or personal emergency that makes it impractical for the student to complete the program, The Art Institute of Houston — North may modify the tuition refund policy as deemed appropriate to the circumstances.
- A separate lease agreement and refund policy exists for students who lease housing accommodations arranged by The Art Institute of Houston — North. The Art Institute of Houston — North reserves the right to apply any student payment, or any refund due a student, to any student financial liability.
- Each academic quarter is 11 weeks in duration. The calculation of refunds is based upon the last day of attendance within the quarter.
- Session II academic quarters are approximately five weeks in duration.

Information in the catalog or student handbook will apply except for the following changes specific to Session II classes. Add/Drop period is two days from the start of Session II classes. If you drop or add one or more classes your financial aid eligibility may change. Please see your Financial Aid Officer before you drop or add a class.

REFUND POLICY FOR ONLINE COURSE WITHDRAWAL

Students who withdraw from a Session I or Session II online course after the drop/add period are treated the same way as if they withdrew from an on-ground class. Session II classes begin the day after the Session I classes end and runs five weeks. The ending date of the second session may not coincide with ending date of the on-ground classes.

ADJUSTMENT OF CHARGES FOR SESSION I & II

In accordance with school policy, if a student withdraws from school, the school will earn tuition and fees as follows, based on the week in which the student withdraws:

- Week One—25%
- Week Two—50%
- Week Three—75%
- After Week Three—100%

The Art Institute of Houston — North will first calculate what amount needs to be returned under the federal return of Title IV Aid Policy. The amount will then be subtracted from the amount that was paid for the quarter of withdrawal to get the adjusted amount paid. The Art Institute of Houston — North will then calculate how much of the charges can be retained based on the school policy. The amount that can be retained will be subtracted from the adjusted amount

paid. If there is additional money to be refunded from Federal funds after calculating the Return of Title IV formula and the refund policy, the refund will be made to the student, or, with the student's authorization, to the Federal loan program(s) in the following order, up to the amount received, for the term of withdrawal: Unsubsidized Stafford Loan, Subsidized Stafford Loan, Perkins Loan, PLUS Loan, Pell Grant, Federal ACG Grant, Federal SMART Grant, SEOG. If there is an additional credit balance made up of non-Title IV funds, it will be refunded in the following order, up to the amount received for the term of withdrawal: Unsubsidized Stafford Loan, Subsidized Stafford Loan, Perkins Loan, PLUS Loan, Pell Grant, Federal ACG Grant, Federal SMART Grant, SEOG.

All refunds and return of funds will be made within 30 days of the date that the student notifies the school of the withdrawal.

Examples of the calculations for this policy are available in the Student Accounting Office. *In the event enrollment was procured as a result of any misrepresentation in the school's advertising or promotional material of the school, or a representative of the school, The Art Institute of Houston — North will provide a full refund. The Art Institute of Houston — North may change the refund policy with 60 days notice.*

SUPPLY STORE RETURN POLICY FOR SESSION I & II

If kits, components of the kit, books, supplies, or uniforms, are returned to the Supply Store in re-salable, completely unused condition within 21 days of withdrawal, a credit will be given.

TRANSFERABILITY OF CREDITS

The Art Institute of Houston — North is authorized by the Texas Higher Education Coordinating Board to confer the Bachelor of Fine Arts, Bachelor of Science, Associate of Applied Arts, and Associate of Applied Science degrees and accredited by the Commission on Colleges of the Southern Association of Colleges and Schools, an accrediting agency recognized by the United States Department of Education. However, the fact that a school is authorized and accredited is not necessarily an indication that credits earned at that school will be accepted by another school.

In the U.S. higher education system, transferability of credit is determined by the receiving institution taking into account such factors as course content, grades, accreditation, and licensing.

The mission of The Art Institute of Houston — North is to help you to prepare for entry-level employment in your chosen field of study. The value of degree programs like those offered by The Art Institute of Houston — North is their deliberate focus on marketable skills. The credits earned are not intended as a stepping stone for transfer to another institution. For this reason, it is unlikely that the academic credits you earn at The Art Institute of Houston — North will transfer to another school.

Programs offered by one school within The Art Institute of Houston — North system may be similar to but not identical to programs offered at another school within the system. This is due to differences imposed by state law, use of different instructional models, and local employer needs. Therefore, if you decide to transfer to another school within The Art Institute of Houston — North, not all of the credits you earn at The Art Institute of Houston — North may be transferable into that school's program.

If you are considering transferring to either another school within The Art Institutes system or an unaffiliated school, it is your responsibility to determine whether that school will accept your credits from The Art Institute of Houston — North. We encourage you to make this determination as early as possible. The Art Institute of Houston — North does not imply, promise, or guarantee transferability of its credits to any other institution.

EMPLOYMENT ASSISTANCE

The Art Institute of Houston — North does not guarantee employment or any particular level of compensation following graduation. The Art Institute of Houston — North does, however, offer assistance in finding employment to all eligible graduates at no additional charge. Graduates who confine employment considerations to the metropolitan area served by The Art Institute of Houston — North may limit the particular employment opportunities available to them.

POLICIES AND PROCEDURES

The student is enrolled on a continuing quarter-by-quarter basis and agrees to comply with all policies and procedures published by The Art Institute of Houston — North. The Art Institute of Houston — North reserves the right to add, delete, or modify its policies and procedures.

The student may voluntarily withdraw from school by notifying the Office of the Registrar in writing or in person. The refund policies outlined above shall apply in the event that a student withdraws, is suspended, or is terminated from school.

Individual times and days of attendance vary by department and quarter level and are assigned and generally announced to students in advance of each quarterly start date. The Art Institute of Houston — North reserves the right to change a student's class session schedule from time to time, according to classroom, studio, shop and/or lab availability, and academic and student distribution circumstances. From time to time, instructional activities may occur at an off-campus location appropriate for the particular activity.

INSTRUCTIONAL EQUIPMENT

Instructional equipment will be made available according to the program curriculum to enable the student to acquire an understanding of those fundamental principles of such equipment that the student would be expected to encounter in an entry-level position in the field. Such equipment must be shared by students; accordingly, The Art Institute of Houston — North cannot guarantee students hands-on usage of such equipment beyond that called for in the curriculum. To complete the requirements of his/her program, the student may have to schedule use of the equipment outside normal class hours.

HOMEWORK

In addition to regular attendance at scheduled classes, the student will be required to devote additional time each week outside the classroom studying and working on assigned projects.
