

<b>Academic Change Form</b>
-----------------------------

This form is intended for use when a student wants to file for a change of curriculum (current curriculum to new curriculum). Students **must** realize the following:

- Student must be in good academic standing to change majors.
- A re-evaluation of transfer credits and credits taken at AiH will be done in order to fit the new curriculum requirements.
- The change is NOT reversible.
- The student may only change curriculum once.
- The student will need to sign a new Enrollment Agreement Form.
- The student's financial plan may be affected. Therefore, the student needs to contact the Student Financial Services as part of the process.

**Please fill out completely.**
