PROOF OF HIGH SCHOOL GRADUATION

Graduation from an accredited high school, a Graduate Equivalency Diploma (GED), or the foreign equivalent is required for admission. In Texas, recognized high schools are those public schools accredited by the Texas Education Agency (TEA) or private schools accredited by the Texas Private School Accreditation Commission (TEPSAC). Applicants must provide an official copy of their final high school transcript, GED scores, or foreign educational credentials. High school seniors may submit a partial transcript which indicates their expected graduation date at the time of application, and then provide a final official transcript within thirty days of matriculation. Applicants who have graduated from a regionally accredited postsecondary institution may submit their official college transcript in lieu of proof of high school graduation. Other proof of high school graduation or its equivalent may be considered under special circumstances and must be approved by the President of The Art Institute of Houston.
 Official copies of all foreign education credentials must be prepared in English or include complete and official English translation. In addition, foreign transcripts must be evaluated for equivalency by a recognized credential evaluation service in the United States. For more information about acceptable credential evaluation services, contact the Admissions Department.

Accreditation and Licensing

The Art Institute of Houston is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award diplomas, associate degrees and baccalaureate degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call 404-679-4500 for questions about the accreditation of The Art Institute of Houston.

 The Baking & Pastry Associate degree program, Culinary Arts Diploma and Associate degree programs and Culinary Management Bachelor program are accredited by the American Culinary Federation Foundation, Inc. Accrediting Commission.

Transitional Studies

The Art Institute of Houston tests incoming students as to their preparedness to undertake college-level coursework in English and/or mathematics. Students found to be deficient in English or math may be required to enroll in from one to four transitional study courses offered by the school. Such courses are either two or three quarter credits in length and are charged at the current per-credit charge.
 Students enrolled in transitional study courses may be required to take from three to eleven credits in addition to their normal program of study requirements. Based on course availability, Transitional Study classes may fall outside of students' primary schedules. Transitional Study courses are not calculated in the credits needed for graduation total and may lengthen the time required to complete a course

of study. They are, however, included when calculating the incremental completion rate and the maximum timeframe for graduation. Failure to complete a transitional studies course in three attempts will result in dismissal.

Portfolio Review/Practical Skills Exam

All students are required to produce a Career Portfolio in addition to their program portfolios or capstone projects in order to graduate. The initial Career Portfolio will be produced in the first quarter in either College 101 or the Career Portfolio Workshop. All students are required to pass a mid-program Career Portfolio review of their work in order to continue in their program. It is the student's responsibility to generate the required sample work and submit it for review at the appropriate time. A career planning and advising session will be held between the student and his/her Program Chairperson or Academic Director should the student fail to pass the review process.

Those students whose initial scores do not meet the minimum standard established by the Texas Higher Education Coordinating Board (THECB) will receive advisement for enrollment in transitional level coursework. These students will be required to successfully complete the prescribed coursework and if initial test scores do not fall within a deviation established by the THECB, will be required to retest prior to graduation.

The starting kit is optional and consists of basic equipment, first-quarter textbooks and materials required for beginning each program. A list of the components of the starting kit is provided to each enrolled student. These materials may be purchased at The Art Institute of Houston or at most supply stores. First quarter tuition and fees for new students become due 60 days prior to entry. Thereafter, quarterly tuition for each succeeding quarter is due upon registration. A student may not register for any academic quarter of study unless all tuition and fees due have been paid, or unless the student has made arrangements for an approved alternative payment plan.

Tuition is charged on a quarter-by-quarter basis. Students are not obligated beyond the quarter they are currently attending.

The Art Institute of Houston may extend students credit during periods when financial aid application materials are in process and/or provide students with the convenience of paying their balance of costs through periodic payments. Should a student withdraw from the program for any reason prior to the disbursement of financial aid funds, the student is responsible for any account balance remaining. The Art Institute of Houston reserves the right to withdraw extension of credit for any reason of non-payment or default of such payments. Non-payment of account to The Art Institute of Houston may result in additional collection costs to the fullest extent permitted by applicable law.

Interest Charged on Any Outstanding Balances

For any students enrolling, re-enrolling or changing their academic program, the student understands and agrees that he/she will be liable for interest charges. Interest charges will be assessed on his/her account balance until the balance is paid in full. Interest will be charged at 12% per annum on the student's adjusted outstanding balance at the end of each month. The adjusted outstanding balance is defined as all charges incurred by the student for attendance at the school (including any transfer balances or prior balances from the student's previous education) at the end of the prior month, including but not limited to tuition, fees, housing charges, late registration fees, fines, damages, etc., less the total amount paid to the student's account at the end of the current month including financial aid that the student has been awarded but has not been paid for the quarter provided that the student and/or the student's parent(s) have completed all the requirements for the award. The student understands and agrees that his/her adjusted outstanding balance is different from his/her student payment plan and that the student's financial aid award may be reduced or eliminated if the student does not complete all of the requirements for financial aid.

Refund Policy

In all cases, refunds will meet or exceed the requirements of TEC Section 132.061.

As allowed under federal, state, and accreditation agency rules, the refund policy may be changed. Students will be notified 60 days in advance of any changes.

RETURN OF FEDERAL TITLE IV AID

In compliance with Federal regulations, the school will determine how much Federal student financial assistance the student has earned or not earned when a student withdraws from school.

The school will calculate the percentage and amount of awarded Federal student financial assistance that the student has earned if the student withdraws up through the 60 percent point of the term. If the student has completed more than 60 percent of the term, the student earns 100 percent of the Federal student financial assistance.

The amount earned will be based on the percentage of the term that was completed in days up to and including the last date of attendance. To calculate the amount earned, the school will determine the percentage by dividing the number of calendar days completed in the term up to and including the last date of attendance by the total number of calendar days in the term.

If the student received more than the amount of Federal student financial assistance earned, the difference will be returned to the Federal student financial assistance programs from which funds were received in the following order: Unsubsidized Stafford Loan, Unsubsidized Direct Loan, Subsidized Stafford Loan, Subsidized Direct Loan, Perkins Loan, PLUS Loan, Pell Grant, ACG, SMART, SEOG. Funds will be returned to the aid source within 45 days of the date that the school determines that the student has withdrawn.

If more Federal student financial assistance has been earned than has been received, the student may be eligible for a post-withdrawal disbursement. The school will notify the student of any post-withdrawal disbursement for which the student may be eligible and what steps need to be taken for the Federal financial assistance funds to be received.

If Federal student financial assistance funds need to be returned, the institution must return a portion or all of the unearned funds equal to the lesser of:

- The institutional charges multiplied by the percentage of the unearned Federal student financial assistance funds; or
- The entire amount of unearned funds.

If there are remaining unearned Federal financial aid funds to be returned, the student must return any loan funds that remain to be returned in accordance with the terms and conditions of the promissory note. If the remaining amount of funds to be returned include grant funds, the student must return any amount of the overpayment that is more than half of the grant funds received. The school will notify the student as to the amount owed and how and where it should be returned.

STUDENT WITHDRAWAL

The student may voluntarily withdraw from school by notifying the Office of the Registrar in writing or in person. The refund policies outlined above shall apply in the event that a student withdraws, is suspended or is terminated from school.

A student who withdraws from a program before the end of week 9 will be assigned a "W" code for each course within that quarter. To withdraw from a program, a student must notify the Registrar's Office. Every course for which a student receives an "F" or a "W" grade/code must be repeated and completed with a passing grade in order to graduate. The original grade/code and the subsequent passing grade(s) will remain on the record for reference purposes. However, when a course is successfully repeated, only the passing grade will be computed in the grade point average. Tuition is charged for repeated courses.

When a final course grade has been established and recorded in the student record, the grade may not be changed without approval by the Academic Director or Chair and the Dean of Academic Affairs. Withdrawals and failed courses can affect the student's Incremental Completion Rate and ability to succeed.

Examples of the calculations are available in the Student Accounting office.

REFUND POLICY PRIOR TO MATRICULATION

Applicants may cancel their enrollment in person or in writing before the beginning of classes. An applicant not requesting cancellation before the scheduled starting date indicated on this Enrollment Agreement will be considered a student.

1. All monies paid by applicants will be refunded if they are not accepted for admission.
2. All monies paid by the applicant will be refunded if requested by the applicant within five business days after signing this Enrollment Agreement and making an initial payment.
3. Applications requesting cancellation more than five business days after signing the Enrollment Agreement (and making an initial payment) but prior to the beginning of classes will receive a refund of all monies paid, less the \$50 application fee when requested in writing.
4. All tuition and fee monies paid by applicants will be refunded if requested within three business days after their first tour of the school and inspection of equipment or if requested within three business days of the student's attendance at the regularly scheduled orientation program for their starting quarter, whichever is sooner.
5. Refunds will be made within 30 calendar days after the applicant's/student's request or within 30 calendar days after his/her first scheduled class day.

ADJUSTMENT OF CHARGES FOR SESSION I & II

In accordance with school policy, if a student withdraws from school, the school will earn tuition and fees as follows, based on the week in which the student withdraws:

- Week One—25% - Week Two—50%
- Week Three—75% - After Week Three—100%

Examples of the calculations for this policy are available in the Student Accounting Office.

In the event enrollment was procured as a result of any misrepresentation in the school's advertising or promotional material of the school, or a representative of the school, The Art Institute of Houston will provide a full refund. The Art Institute of Houston may change the refund policy with 60 days notice.

RETURN OF TITLE IV AID SESSION II

The Return of Title IV Calculation as described in the Enrollment Agreement for the Session II classes will apply using the Session II start and end dates.

REFUND POLICY AFTER MATRICULATION, ALL QUARTERS

In the event of withdrawal by the student or termination by The Art Institute of Houston during any quarter of study:

1. Prepaid tuition and fees for any period beyond the student's current quarter will be refunded in full.
2. The school shall determine the date of withdrawal within thirty days after the last date of attendance and shall pay the refund within thirty days of making that determination. The refund shall be paid to the student, unless payment to a lender or other entity is required by the terms of a student financial aid program in which the school participates.
3. The student may voluntarily withdraw from training by notifying the Office of the Registrar in person or in writing. The termination date will be the student's last date of attendance. For a student who attended a previous quarter of study and did not indicate that he/she was not returning, refunds will be made within thirty days of the first scheduled day of class in the quarter in which the student was expected to return.
4. In the event of a fully documented extreme illness or personal emergency that makes it impractical for the student to complete the program, The Art Institute of Houston may modify the tuition refund policy as deemed appropriate to the circumstances.
5. A separate lease agreement and refund policy exists for students who lease housing accommodations arranged by The Art Institute of Houston. The Art Institute of Houston reserves the right to apply any student payment, or any refund due a student, to any student financial liability.
6. Each academic quarter is 11 weeks in duration. The calculation of refunds is based upon the last day of attendance within the quarter.
7. Session II academic quarters are approximately five weeks in duration.

Information in the catalog or student handbook will apply except for the following changes specific to Session II classes.

Add/Drop period is two days from the start of Session II classes. If you drop or add one or more classes your financial aid eligibility may change. Please see your Financial Aid Officer before you drop or add a class.

REFUND POLICY FOR ONLINE COURSE WITHDRAWAL

Students who withdraw from a Session I or Session II online course after the drop/add period are treated the same way as if they withdrew from an on-ground class. Session II classes begin the day after the Session I classes end and runs five weeks. The ending date of the second session may not coincide with ending date of the on-ground classes.

SUPPLY STORE RETURN POLICY FOR SESSION I & II

If kits, components of the kit, books, supplies, or uniforms, are returned to the Supply Store in re-salable, completely unused condition within 21 days of withdrawal, a credit will be given.

HANDLING OF STUDENT COMPLAINTS

Questions or concerns regarding The Art Institute of Houston's compliance with the terms of this Enrollment Agreement may be directed to President Larry Horn at The Art Institute of Houston, 1900 Yorktown Street, Houston, TX 77056.

ARBITRATION

Every student and The Art Institute of Houston agrees that any dispute or claim between the student and The Art Institute of Houston (or any company affiliated with The Art Institute of Houston, or any of its officers, directors, trustees, employees or agents) arising out of or relating to a student's enrollment or attendance at The Art Institute of Houston whether such dispute arises before, during, or after the student's attendance and whether the dispute is based on contract, tort, statute, or otherwise, shall be, at the student's or The Art Institute of Houston's election, submitted to and resolved by individual binding arbitration pursuant to the terms described herein. This policy, however, is not intended to modify a student's right, if any, to file a grievance with any state educational licensing agency.

If a student decides to initiate arbitration, the student may select either, JAMS or the National Arbitration Forum ("NAF") to serve as the arbitration administrator pursuant to its rules of procedure. If The Art Institute of Houston intends to initiate arbitration, it will notify the student in writing by regular mail at the student's latest address on file with The Art Institute of Houston, and the student will have 20 days from the date of the letter to select one of these organizations as the administrator. If the student fails to select an administrator within that 20day period, The Art Institute of Houston will select one.

The Art Institute of Houston agrees that it will not elect to arbitrate any unvoidable claim of less than the relevant jurisdictional threshold that a student may bring in small claims court (or in a similar court of limited jurisdiction subject to expedited procedures). If that claim is transferred or appealed to a different court, however, or if a student's claim exceeds than the relevant jurisdictional threshold The Art Institute of Houston reserves the right to elect arbitration and, if it does so, each student agrees that the matter will be resolved by binding arbitration pursuant to the terms of this Section.

IF EITHER A STUDENT OR THE ART INSTITUTE OF HOUSTON CHOOSES ARBITRATION, NEITHER PARTY WILL HAVE THE RIGHT TO A JURY TRIAL, TO ENGAGE IN DISCOVERY, EXCEPT AS PROVIDED IN THE APPLICABLE ARBITRATION RULES, OR OTHERWISE TO LITIGATE THE DISPUTE OR CLAIM IN ANY COURT (OTHER THAN IN SMALL CLAIMS OR SIMILAR COURT, AS SET FORTH IN THE PRECEDING PARAGRAPH, OR IN AN ACTION TO ENFORCE THE ARBITRATOR'S AWARD). FURTHER, A STUDENT WILL NOT HAVE THE RIGHT TO PARTICIPATE AS A REPRESENTATIVE OR MEMBER OF ANY CLASS OF CLAIMANTS PERTAINING TO ANY CLAIM SUBJECT TO ARBITRATION. THE ARBITRATOR'S DECISION WILL BE FINAL AND BINDING. OTHER RIGHTS THAT A STUDENT OR SOUTH UNIVERSITY WOULD HAVE IN COURT ALSO MAY NOT BE AVAILABLE IN ARBITRATION.

The arbitrator shall have no authority to arbitrate claims on a class action basis, and claims brought by or against a student may not be joined or consolidated with claims brought by or against any other person. Any arbitration hearing shall take place in the federal judicial district in which the student resides. Upon a student's written request, The Art Institute of Houston will pay the filing fees charged by the arbitration administrator, up to a maximum of \$3,500 per claim. Each party will bear the expense of its own attorneys, experts and witnesses, regardless of which party prevails, unless applicable law gives a right to recover any of those fees from the other party. If the arbitrator determines that any claim or defense is frivolous or wrongfully intended to oppress the other party, the arbitrator may award sanctions in the form of fees and expenses reasonably incurred by the other party (including arbitration administration fees, arbitrators' fees, and attorney, expert and witness fees), to the extent such fees and expenses could be imposed under Rule 11 of the Federal Rules of Civil Procedure.

The Federal Arbitration Act (FAA), 9 U.S.C. §§ 1, et seq., shall govern this arbitration provision. This arbitration provision shall survive the termination of a student's relationship with The Art Institute of Houston. If a student has a question about the arbitration administrator mentioned above, the student can contact them as follows: JAMS, 45 Broadway, 28th Floor, New York, NY, 10006, HYPERLINK "http://www.jamsadr.com" www.jamsadr.com, 8003525267; National Arbitration Forum, P.O. Box 50191, Minneapolis, MN, 55405, www.arbforum.com, 800-474-2371.

TRANSFERABILITY OF CREDITS

The Art Institute of Houston is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award diplomas and associate and baccalaureate degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call 404-679-4500 for questions about the accreditation of The Art Institute of Houston. The Art Institute of Houston holds a Certificate of Authorization acknowledging exemption from Texas Higher Education Coordinating Board regulations. However, the fact that a school is authorized and accredited is not necessarily an indication that credits earned at that school will be accepted by another school.

In the U.S. higher education system, transferability of credit is determined by the receiving institution taking into account such factors as course content, grades, accreditation and licensing.

The goal of The Art Institute of Houston is to help you to prepare for entry-level employment in your chosen field of study. The value of degree programs like those offered by The Art Institute of Houston is their deliberate focus on marketable skills. The credits earned are not intended as a stepping stone for transfer to another institution. For this reason, it is unlikely that the academic credits you earn at The Art Institute of Houston will transfer to another school.

Programs offered by one school within The Art Institutes system may be similar to but not identical to programs offered at another school within the system. This is due to differences imposed by state law, use of different instructional models, and local employer needs. Therefore, if you decide to transfer to another school within The Art Institutes system, not all of the credits you earn at The Art Institute of Houston may be transferable into that school's program.

If you are considering transferring to either another school within The Art Institutes system or an unaffiliated school, it is your responsibility to determine whether that school will accept your credits from The Art Institute of Houston. We encourage you to make this determination as early as possible. The Art Institute of Houston does not imply, promise, or guarantee transferability of its credits to any other institution.

HOUSING

A housing deposit is due within 30 days of application in order to reserve a place in student housing. The deposit is \$200 for the 4 student/2 bedroom apartment, or \$400 for the 2 student/1 bedroom apartment. \$50 of the deposit is non-refundable. School-sponsored housing costs are in addition to tuition and a separate agreement is entered into for that purpose. See the Housing Office for details.

EMPLOYMENT ASSISTANCE

The Art Institute of Houston does not guarantee employment or any particular level of compensation following graduation. The Art Institute of Houston does, however, offer assistance in seeking employment to all eligible graduates at no additional charge. Graduates who confine employment considerations to the metropolitan area served by The Art Institute of Houston may limit the particular employment opportunities available to them.

PARKING FEES

In order to use The Art Institute of Houston parking facility, students must pay a quarterly \$50 parking fee and visibly display the parking hang tag on the vehicle.

POLICIES AND PROCEDURES

The student is enrolled on a continuing quarter-by-quarter basis and agrees to comply with all published Art Institute of Houston policies and procedures. The Art Institute of Houston reserves the right to add, delete or modify its policies and procedures.

CLASS SESSIONS

Classes are in session six days a week, Monday through Saturday. Students are scheduled by The Art Institute of Houston to meet their total weekly hour requirement through a combination of morning, afternoon and evening classes. The weekly hour requirement is scheduled to be completed in a minimum of 3 days and a maximum of 5 days during each week. Individual times and days of attendance vary by department and quarter level and are assigned and generally announced to students in advance of each quarterly start date.

The Art Institute of Houston reserves the right to change a student's class session schedule from time to time, according to classroom, studio, shop and/or lab availability, and academic and student distribution circumstances. From time to time, instructional activities may occur at an off-campus location appropriate for the particular activity.

INSTRUCTIONAL EQUIPMENT

Instructional equipment will be made available according to the program curriculum to enable the student to acquire an understanding of those fundamental principles of such equipment that the student would be expected to encounter in an entry-level position in the field. Such equipment must be shared by students; accordingly, The Art Institute of Houston cannot guarantee students hands-on usage of such equipment beyond that called for in the curriculum. To complete the requirements of his/her program, the student may have to schedule use of the equipment outside normal class hours.

HOMEWORK

In addition to regular attendance at scheduled classes, the student will be required to devote additional time each week outside the classroom studying and working on assigned projects.
