1. The application, enrollment, activity fees are paid by new and transfer students only.
2. The digital resource fee includes the cost of the digital textbook as well as other digital resources which are integrated into the course and vary by program. The fee includes all applicable taxes. This estimated fee assumes all courses require a digital resource; however currently not all courses use digital resources. Courses that include digital resources will be noted in the registration material and the fee will be charged automatically in addition to tuition. If a course does not use digital resources, the student remains responsible for purchasing the required text and materials. The digital resource fee is \$50 per course.
3. The Program Totals are based on the current credit hour rate. Cost will increase with each per credit hour tuition increase. You only are charged for the credit hours you take each quarter.

IN WITNESS WHEREOF, the Enrollment Agreement Addendum has been executed by the undersigned intending to be bound by its terms.
