## Education that opens a world of creative careers.

So you're certain you want a creative education. But how will it transform into the career you've been working for? At The Art Institute of California — Sacramento, we'll guide you from the classroom to the real world with challenging coursework, internship opportunities, and career services assistance.

We emphasize hands-on learning — so you'll know what to expect before you even hit the job market. And you'll learn in a creative community of people who understand that it takes imagination, innovation, and an open mind to succeed as a creative professional.

## Our employment stats are worth a closer look.

\* Graduates available for employment excludes graduates who have waived employment assistance for one of the following reasons: medical condition that prevents full-time employment; active military duty; incarceration; death; non-immigrant status; furthering education with minimum of 50% credit load; stay-at-home parent; or continuation of employment in an unrelated field with current salary in excess of entry-level salary.

For a complete list of available programs, please contact the Admissions Department.

Data represents employment for January 1, 2006–December 31, 2006 graduates, six months after graduation.

## Your future is in sight.

With over 35 education locations in North America, The Art Institutes is able to connect students with local and national employers who value our graduates' talents. Many of these companies offer internship programs that will help you to gain practical experience while still in school.

Our programs in design, media arts, and culinary arts are led by professional instructors. We update our curriculum regularly, with the input of industry insiders. We build relationships with employers to ensure that we provide them with candidates who fulfill their job needs — while helping our graduates to build successful careers.

Additional information about our graduate employment rates is available through the Career Services Department.
