

FASHION MARKETING

Associate of Science Degree Bachelor of Science Degree

The Fashion Marketing programs are designed to educate students in the business that moves the world's fashions from designer's showrooms to retail salesfloors and into the hands of consumers. This fast-paced industry revolves around individuals who exhibit strong business skills and an eye for style.

PROGRAM OBJECTIVES

- Examine the history of fashion
- Develop an understanding of fabrics
- Understand how garments are constructed
- Compare the quality of clothing
- Identify the components of a profit and loss statement
- Create a six-month plan including planned sales, beginning of month stock levels, reductions, and planned purchases
- Apply principles of fashion show production to produce a fashion show
- Understand and develop marketing principles
- Demonstrate the fundamentals of retail buying
- Create a store layout and floor plan
- Present a final portfolio

Additional Objectives - Bachelor of Science Degree

- Develop strategic thinking concerning problems and opportunities facing contemporary global executives
- Understand the principles of international marketing
- Create fashion illustration concepts
- Develop an understanding of global fashion trends
- Discover the relationship of ethics, social responsibility and environmental issues to consumer behavior

- Understand the principles of advertising
- Examine the impact of technology on marketing research
- Develop an understanding of electronic marketing
- Demonstrate an understanding of retail business strategy
- Compare how social issues, the economy and geography influence the design of clothing
- Demonstrate how technology is used in the retail operational environment
- Present a final portfolio

ENTRY-LEVEL EMPLOYMENT OPPORTUNITIES

By graduation from the associate's program, students are prepared to seek entry-level positions including merchandiser and assistant visual merchandiser as well as positions in retail management and sales promotion. Further entry-level opportunities for the bachelor's program include buyers clerk, assistant buyer, special events coordinator, and visual merchandiser as well as positions in management and sales promotion.
