

Facilities – The primary residence hall is located at 1346 Chestnut Street in the heart of Center City Philadelphia. This high rise apartment building accommodates up to 660 students. Other residence halls include: 1510 Chestnut Street, 1530 Chestnut Street and the Lofts located at 16th and Chestnut Streets. School-sponsored apartments are same-sex while the floors are co-educational. All residence halls have 24-hour security.

Roommate Assignments – Assignments are done at random. The primary factor in making roommate assignments is smoking preference. Students may request to move in with a specific person. All efforts will be made to accommodate roommate requests. It is essential that students interested in living together submit applications as early as possible and inform their admissions representative. Students will be notified one week prior to move-in of their assignment. Start changes, late applications, late security deposits and late financial planning can delay your housing assignment.

Parking – The Art Institute of Philadelphia does not provide parking to students and thus recommends students not to bring automobiles to school. Any students wishing to bring a car must make arrangements on their own with local garages.

Costs – A \$130 security deposit is required with your application for housing. The current quarterly cost through summer 2010 is \$2,700 per quarter.

Management – The Art Institute of Philadelphia employs both a professional and student staff to manage the facilities and assist students who may have questions or problems. The Department of Residence Life office is located on the 3rd Floor, Suite 306 of the primary residence hall located at 1346 Chestnut Street.

Rules and Regulations – Rules and Regulations are established for the safety of our students and to ensure their well being and comfort in their residential community. All residents must sign a lease constituting an agreement to adhere to the college's rules of conduct. This agreement is a binding document and should be treated the same way you would treat a lease at a non-school sponsored location. Any student who wishes to leave housing before the one year contract agreement has ended will automatically be required to pay a lease break penalty equivalent to 2 months rent. Any roommate issue that cannot be resolved after appropriate mediations with the Residence Life Department will be solved by moving one or more parties to a different apartment. A detailed listing of rules and regulations will be made available to students prior to or during move-in.

Statement of Non-Discrimination – The Art Institute of Philadelphia does not discriminate on the basis of race, color, creed, religion, national origin, ancestry, sex, age, sexual orientation, disability, or any characteristic protected by state, local or federal law in the administration of any of its educational programs or activities, or with respect to admission or employment. For further information about the college's student grievance procedure, general complaint procedure, or anti-harassment policy, you may contact the Dean of Student Affairs at 215-405-6425.
