## Housing Application

### Assignment Preference Questionnaire

Accommodations, amenities, and facilities will vary. There are four apartment communities in the downtown Durham area that are utilized for school-sponsored housing in combinations of single and shared bedrooms. All students are putting on a waiting list based on the preferences they select on this application. Please note, students are assigned by the order in which the applications are received and deposits are paid. The preference questionnaire is to assist the housing department in selecting assignments. Some accommodations are charged at a premium rate. ***This questionnaire does not imply, guarantee, or promise specific accommodations related to apartment community or room type. It is likely that students may not receive the requested accommodations at the time of move-in, but student will have the option to remain on a waiting list and relocate as their preferences becomes available.
