

**The Art Institute
of CaliforniaSM - Sacramento**

June 25, 2007

As the arts community in the central California region continues to grow and prosper, we are pleased to announce that there will be a new addition to the discipline of arts education: The Art Institute of California – Sacramento.

The Art Institute of California – Sacramento, scheduled to begin classes in October 2007, is one of The Art Institutes, with 36 locations across North America, providing an important source of design, media arts, culinary arts, fashion, and fine arts professionals to the marketplace.

Initially, The Art Institute of California – Sacramento will offer Bachelor of Science programs in Culinary Management, Digital Filmmaking & Production, Graphic Design, Interior Design, and Web Design & Interactive Media (formerly Interactive Media Design); and Associate of Science programs in Culinary Arts, Graphic Design; and Web Design & Interactive Media (formerly Interactive Media Design).

Its location in metropolitan Sacramento will afford students the opportunity to volunteer for civic organizations and enjoy all the culture and excitement a large and vibrant city has to offer.

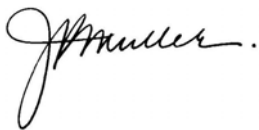

The Art Institute of California – Sacramento hopes to make an important contribution to the economic growth and social well-being of the area that it serves, providing higher education opportunities that prepare graduates for entry-level positions in the creative arts professions they have chosen.

After you've had a chance to review the enclosed media kit, I would like to extend a personal invitation for you to meet Roger Gomez, president of The Art Institute of California – Sacramento. Mr. Gomez is available to the media to discuss the importance of the community to The Art Institute of California -- Sacramento; its strengths, mission, people and programs; and plans for future growth and development. He also can provide you with information on enrollment trends, featured faculty, how to apply and much more.

We will contact you over the next several weeks to arrange an interview opportunity. In the meantime, please do not hesitate to contact me at (412) 995-7262, jpmuller@edmc.edu; or Bill Bradley of Perry Communications at (916) 658-0144, bill@perrycom.com if you have any questions, or want to set up a discussion in advance.
