STUDENT HANDBOOK NOTICE REGARDING POLICIES

As referenced herein, The Art Institute of California - Inland Empire, The Art Institute of California – Los Angeles, The Art Institute of California – Orange County, The Art Institute of California – Sacramento, The Art Institute of California -- San Diego, The Art Institute of California – San Francisco, and California Design College are collectively referred to as “The Art Institutes.”

The Art Institutes reserve the right to change the policies contained within this student handbook from time to time. Notice is not required for a new policy to take effect, however The Art Institutes will make reasonable attempts to notify students promptly of any policy changes through website or email postings, mail distributions, or other methods deemed appropriate by the college administration.

ACADEMIC POLICIES AND PROCEDURES

CLASS SCHEDULE

Classes are in session six (6) days a week, Monday through Saturday. Each student is scheduled by The Art Institutes to meet his/her total weekly hour requirement through a combination of morning, afternoon, and evening classes. The weekly hour requirement is scheduled to be completed in a minimum of three (3) days and a maximum of six (6) days during each week. Classes are assigned and generally announced to the student in advance of each quarterly start date. The Art Institutes will not require an evening student to attend during the day. Days of attendance will vary for students according to their program of study and may change from quarter to quarter. Some classes may be scheduled on Saturdays.

The average length of instruction is 20 hours per week for a student taking a full load (16 credits) except for Culinary Arts students. Culinary Arts students will attend an average of 22 hours per week. A student must take a minimum of 12 credits in order to be considered a full-time student.

CLASS SESSION HOURS:

Classes may be scheduled to begin at 7:00 a.m. and end at 11:00 p.m., Monday through Saturday.

The Art Institutes reserve the right to modify the school calendar, curriculum, and class schedules as it deems necessary. When size and curriculum permit, classes may be combined to contribute to the level of interaction among students. From time to time instructional activities may occur at an off-campus location appropriate for the particular activity. Days of attendance will vary for students according to their program of study, and may change from quarter to quarter.

HOMEWORK

In addition to regular attendance at scheduled classes, each student will be required to devote additional time each week outside the classroom to study and work on assigned projects.

ACADEMIC DISHONESTY

Students are expected to maintain the highest standards of academic honesty while pursuing their studies at The Art Institutes. Academic dishonesty includes but is not limited to: plagiarism and cheating; misuse of academic resources or facilities; and misuse of computer software, data, equipment or networks.

Plagiarism is the use (copying) of another person's ideas, words, visual images, or audio samples, presented in a manner that makes the work appear to be the student's original creation. All work that is not the student's original creation, or any idea of fact that is not "common knowledge," must be documented properly to avoid even accidental infractions of the conduct code.

Cheating is to gain unfair advantage on a grade by deception, fraud, or breaking the rules set forth by the instructor of the class. Cheating may include but is not limited to: copying the work of others; using notes or other materials when unauthorized; communicating to others during an

exam; and any other unfair advantage as determined by the instructor.
Additional information is located within the Student Conduct section of this handbook.

ACADEMIC GRADING SYSTEM

The grading system incorporates letter grades and codes that have the following numeric equivalences and definitions:

Letter Grade		Equivalent Grade Points
A	=	4.0
A-	=	3.7
B+	=	3.4
B	=	3.0
B-	=	2.7
C+	=	2.4
C	=	2.0
C-	=	1.7
D+	=	1.4
D	=	1.0
F	=	0.0

LETTER CODES:

IP	=	In Progress
NS	=	Not Satisfactory
P	=	Proficiency credit by exam or portfolio
S	=	Satisfactory
TR	=	External transfer credit
W	=	Withdraw from course
WF	=	Withdraw failing from course

In addition to the codes listed above, campuses may use additional codes as well. Please see your campuses specific Academic Catalog for a full list of the letter codes used.

ACADEMIC GRADING POLICIES

IN PROGRESS (IP)

Indicates work is in progress but assignment of a final grade is pending completion of coursework. It is not included in any calculations.

NOT SATISFACTORY (NS)

Indicates course completed unsatisfactorily. It is not included in any calculations.

ADVANCED COURSE CREDIT (TR OR P)

Course credit transferred from another accredited postsecondary institution is assigned a "TR"

code. Those campuses that award proficiency credit, award credit on the basis of an examination or portfolio review. These courses are assigned a "P" code. Such credit is applied to the total credits required for graduation but has no grade point value and is not computed in the grade point average.

SATISFACTORY (S)

Indicates course completed satisfactorily. It is not included in any calculations.

WITHDRAWAL (W)

A student who withdraws from a course or from the program after the schedule adjustment period and before week 10 of the quarter will be assigned a "W" code for each course. The "W" code is not used in the computation of the student's grade point average. There are no tuition refunds for course withdrawals after the end of the schedule adjustment period. If students withdraw from the program, they should refer to the refund policy. For online course withdrawals see "Online Add/Drop Policy."

WITHDRAWAL FAILING (WF)

A student who withdraws from a course or from the program during weeks 10 and 11 will be assigned a "WF" code for each course. The "WF" code is used in the computation of the grade point average. There are no tuition refunds for course withdrawals after the end of the add/drop period. If you are withdrawing from the program, see the refund policy. For online course withdrawals see "Online Add/Drop Policy."

REPEATING COURSES

Every required course for which a student received an "F," "W," or "WF" grade/code must be repeated and/or completed with a passing grade, prior to the final quarter of study. It is strongly recommended that any student with W, F, or WF grades register for the same courses in the subsequent quarter to improve academic achievement. The original grade/code and the subsequent passing grade(s) will remain on the record for reference purposes. However, when a course is successfully repeated, only the passing grade (not the original grade) will be computed in the grade point average. Tuition is charged for repeated courses.

SCHEDULE ADJUSTMENT PERIOD

The Schedule Adjustment period begins on Monday of week one and concludes at the end of the first class day of week two. During this time students may add or drop courses, or change sections. Tuition will be charged based on registered credits at the end of this period. Students will be responsible for all charges regardless of attendance. Students who fail to attend any classes or notify the Academic Affairs Department during the Schedule Adjustment period will be withdrawn from school.

OFFICIAL SCHEDULES

Official class schedules will be available to students no later than the Friday prior to the quarter class start. If a student is placed on "hold" by an administrative office, the student will not be issued an official schedule until the hold is cleared. An official schedule is required in order for the student to attend class. Note: Official schedules are subject to change.

OFFICIAL TRANSCRIPTS

Official transcripts are available to students through the Registrar's Office for a nominal fee per transcript. All requests for transcripts must be submitted in writing and must be signed and dated. Requests must be approved by the Accounting Office and may require seven to ten (7-10) days to process.

CHANGE OF GRADE

When a final grade has been established and recorded in the student's record, the grade may not be changed without approval of the faculty member, Academic Department Director, and the Dean of Academic Affairs. Students who feel that they have received an erroneous grade may appeal that grade to their instructor. If the student and the instructor do not reach a resolution in the matter, the Academic Director, after consultation with the instructor and student, will make a final determination. A request for a change of grade will only be accepted by the Registrar's Office through the end of the Schedule Adjustment period of the following quarter.

WITHDRAWAL FROM SCHOOL

Students who are not registered for any courses by the end of the Schedule Adjustment period will be withdrawn from school. Students who voluntarily withdraw from school must complete the required status change form, obtaining all required signatures, and return it to the Registrar's Office. Students who withdraw from school are subject to a tuition increase upon reenrollment.

READMISSIONS

Any student who has withdrawn from The Art Institutes for any period must go through the formal reentry process. Each student's status must be reviewed before consideration for reentry. For details, please see the Readmissions Advisor in the Admissions Office.

TRANSFERS

A student must be in satisfactory academic and conduct standing to be allowed the opportunity of transferring from one Art Institute school to another.

CHANGE OF MAJOR

Students will be allowed only one change of major. Changing from a day program to an evening program of the same major is not considered a change of major. Changing from an associate's program to a bachelor's program for the same major is not considered a change of major. Courses taken in one major applicable to the second major shall be transferred with the grade. If students have taken a course more than once, all grades relevant to that course shall apply to the second major. Grades earned in the original major shall count toward the cumulative grade point average. For ICR purposes, only those courses transferred will apply to the new major. The maximum allowable time frame shall be calculated as the total number of credits in the program minus the number of credits applied to the new major X 150%. Example: if a student transfers 36 credits to a new major consisting of 180 credits, the calculation would be $180 - 36 = 144 \times 150\% = 216$ credits. Second example: if a student earned 36 credits in the original major that are applicable to the new major, but transfers 48 credits due to repeating failed classes, then the maximum allowable time frame is reduced to 198 credits.

ACADEMIC PERFORMANCE MEASUREMENTS

Student academic performance is recorded, reported, and monitored by the Registrar each quarter, according to the following:

GRADE POINT COMPUTATION

The grade point value for an individual course is determined using the equivalent grade points listed above. The total grade points for an individual course are determined by multiplying the letter grade equivalent grade point times the credit hours for the course.

QUARTERLY GRADE POINT AVERAGE (QGPA)

The quarterly grade point average is computed by dividing the total grade points earned in the quarter by the total credits attempted in that quarter.

CUMULATIVE GRADE POINT AVERAGE (CGPA)

A cumulative grade point average (CGPA) is computed by dividing the total grade points earned for all courses attempted at an Art Institute by total credit hours attempted. . (The CGPA is calculated by rounding up to the nearest tenth if the last digit is five or greater. It is rounded down to the nearest tenth if the last digit is less than five. Example: 1.95 = 2.0, Example: 1.94 = 1.9).

DEFINITION OF QUARTER CREDITS

All coursework at the school is measured in quarter credits. One quarter credit is awarded for each 11 classroom contact hours of lecture, 22 classroom contact hours of laboratory instruction, or 33 contact hours of internship. One classroom contact hour is defined as 50 minutes in a 60-minute period. It is assumed that the student will devote appropriate time to preparation and study outside the classroom.

STUDENT STATUS

Based on credit hours, status is defined as follows:

- Full load: full-time course load schedule averages 12 credits for Diplomas, 16 credits for Associates and Bachelors degrees, and 15 credits for Masters.
- Full-time: enrolled in 12 credit hours or more in an academic quarter
- Three-quarter time: enrolled in 9–11 credit hours in an academic quarter
- Half-time: enrolled in 6–8 credit hours in an academic quarter
- Less than half time: enrolled in 1–5 credit hours in an academic quarter
- Academic year: 36 quarter credits (three Quarters in length)

ONLINE POLICY

The Art Institutes offer selected online courses through a consortium agreement with The Art Institute Online, a division of The Art Institute of Pittsburgh. Online classes are 5 1/2 weeks in duration. They are delivered in an asynchronous electronic mode that means that students can work on the course anytime. Students are required to log in to the course four out of each seven days in the class week (each of the four log-ins during a separate 24-hour period). One day is defined as the 24-hour period beginning at 5:01 a.m. and ending at 5:00 a.m.(EST). Students are able to access assignments, lectures, study questions; participate in discussions and post assignments. Student participation in the course is required in addition to submitting formal assignments for the course. Online courses may use different textbooks and/or software than onground courses. As in traditional onground classes, students are expected to complete all work and submit assignments within the time periods given by the instructor as listed on the course syllabus.

The online courses have similar course and exit competencies as the onground versions of the same course. The online courses are specifically designed to take advantage of technology, make the learning environment more efficient, and maximize relevance to prior learning and experiences. The Art Institute charges the same tuition for online courses as it charges for onground ones. A \$100 fee is charged in addition for each online lab to cover administrative and technical support for students.

REQUIREMENTS FOR PARTICIPATION IN ONLINE COURSES

Students must have computer hardware and software equivalent to the specifications indicated by The Art Institute Online, as well as a reliable connection to the Internet. Specific technology requirements are listed by class in The Art Institute Online course catalog available at <http://www.aionline.edu/aio/campus/index.asp>. Students are advised of resources available where they may purchase their own equipment through an outside vendor, made available through The Art Institutes. Students are not, however, required to purchase or lease any hardware or software through The Art Institutes. Online course codes are different from on-ground course codes. Students should ensure they have the correct course requirement by referring to the online course code located on the quarterly published list located in the Online information packet.

REGISTRATION FOR ONLINE COURSES

Prior to registration each quarter, The Art Institutes provide students with a list of courses to be offered online. Students register for online courses during the regular registration period for the academic quarter. Because The Art Institute Online needs additional lead time to set-up the classes, registration for online courses will only occur during the normally scheduled registration period. Students wishing to register for online courses must do so through the Online Advocate. Students are required to sign a consortium agreement. While students will have an opportunity to withdraw from second session courses after they begin, they will not be allowed to add or drop an online session after the first week of the quarter which is the normal add/drop period of the schools.

ONLINE CLASS SCHEDULES

Online courses are offered in two sessions within the academic quarter calendar. The first session begins on the same day as the onground coursework begins and ends 5 1/2 weeks later. The second session begins the **following day** and runs for 5 1/2 weeks and ends on the same day as the onground coursework ends.

ONLINE ADD/DROP POLICY

The first seven academic days (including Saturday) of each quarter constitute the Add/Drop period. It is during this time, students may drop an online course without financial penalty. Students who drop all of their courses, either online or on ground will have their enrollment terminated and should refer to the Refund Policy for further information.

Once the Add/Drop period ends, a student may receive permission from their Academic Advisor or Academic Department Director to withdraw from an online course. Students choosing to withdraw from a first session online course must do so by the 5 p.m. Friday of week four of the quarter and will receive a "W" (withdrawal) grade for their course(s). Students who choose to withdraw from a second session online course by 5 p.m. on Friday of week nine will also receive a "W"(withdrawal) grade for their course(s). Students withdrawing from either session after these deadlines will receive a "WF" (withdraw failure) grade in their respective course(s). A "WF" grade is calculated into the CGPA as an "F" grade. Please note no refunds will be given for any online course withdrawals initiated after the designated Add/Drop period.

Students who choose to take only online courses during a particular quarter are considered "virtual" students. Virtual students who register for two online courses, one each session, are not permitted to withdraw from an individual course. Doing this would cause the student to no longer be in attendance. Therefore, virtual students who wish to withdraw must withdraw from both courses which will withdraw them from enrollment for the quarter. Students in this situation must apply for readmission into the college the subsequent quarter.

Students withdrawing from school before the end of their online course will either receive a "W" or "WF" grade based upon the same deadlines stated above. However, if a student withdraws after their first session online course ends, they will receive a final letter grade in that course.

ONLINE ORIENTATION

Students wishing to take an online course must complete an online orientation to familiarize themselves with the platform that will be used in the virtual classroom. There are exercises to be completed during the orientation. Students not completing the orientation prior to the quarterly deadline published in the Online information packet, will not be allowed to participate in the online course. Students will have access to 24-hour software support via a toll-free number throughout the class to assist them should they have any problems. Students will also have access to email through The Art Institute Online Web site, www.aionline.edu, to address any questions or concerns that arise.

ONLINE FACULTY

Faculty who teach online courses possess the same subject matter credentials and experience as faculty who teach the same course onground. In addition, all faculty who teach online are required to successfully complete a six-week online training course. In many cases, faculty who teach online courses teach the same courses onground in The Art Institutes system.

STUDENT SERVICES FOR STUDENTS TAKING ONLINE COURSES

The Art Institutes provide a wide variety of support services to students in order to assist them in completing their educational programs and reaching their career goals. Every student is encouraged to take advantage of these support services. Advising and other student services are the same for all programs regardless of onground or online delivery. Student services are available onground at The Art Institute for all students who reside locally or via email and telephone (at The Art Institutes toll-free phone number) for students who do not reside in the immediate area or do not wish to meet face-to-face. In addition, educational support is offered through The Art Institute Online for many online courses. Students should speak to the online facilitator or the online advocate for additional information or educational support.

ONLINE COURSE TEXTBOOKS

Textbooks for online courses are listed in syllabi located at The Art Institute Online Web site, www.aionline.edu. Textbooks can be purchased online from The Art Institute Online textbook partner through the "Buy Supplies" link located on the campus homepage at www.aionline.edu/campus/. They provide a secure site and 48-hour delivery for most books. Credit cards are accepted for payment.

ONLINE EQUIPMENT

Students are provided with a technical specification list prior to registration for hardware and software that support the online courses. Students are advised of resources available where they may purchase their own equipment through an outside vendor made available through The Art Institutes. Students are not, however, required to purchase or lease any hardware or software through The Art Institutes. The listing of hardware and software requirements for courses is available through The Art Institute Online Website at www.aionline.edu/campus/. Online course codes are different than on-ground course codes. To ensure you have the correct course requirements, please refer to the online course code located on the quarterly published list located in the online information packet.

GRADUATION AWARDS

Students from each major may be eligible to win awards recognizing outstanding portfolios or culinary skills or outstanding achievements.

CRITERIA FOR HONOR DESIGNATION

To promote academic excellence and to recognize exemplary academic achievement, students are recognized on a quarterly basis and upon graduation. Any student who enrolls for and completes 12 credits or more and meets the following criteria, may receive the corresponding designation:

QUARTER GPA HONOR DESIGNATION

4.0 President's Honor Roll

3.7 – 3.9 Dean's Honor Roll

3.5 – 3.6 Honor Roll

HONOR DESIGNATION AT GRADUATION

Any student who achieves a CGPA of 3.5 or better is designated as an Honor Graduate. (Transitional studies classes are not considered when evaluating honor designations.)

REQUIREMENTS FOR GRADUATION

ELIGIBILITY FOR GRADUATION

To be qualified to graduate, an Art Institute student must:

- Receive a passing grade or credit for all required coursework.
- Earn the minimum required credits for the program.
- Achieve a minimum CGPA of not less than 2.0.
- Meet portfolio or other requirements as outlined by the student's degree program.
- Satisfy all financial obligations to The Art Institute.

SATISFACTORY ACADEMIC PROGRESS POLICY

SATISFACTORY ACADEMIC PROGRESS POLICY (SAPP)

Applicable to every student enrolled in diploma and undergraduate degree programs, the Satisfactory Academic Progress Policy ensures that students make satisfactory progress towards successful completion of their academic programs. The evaluation points and milestones contained in the policy are meant to identify problems for which actions of early intervention and/or remediation can be taken. Most critical to this policy is a student's ability to enroll in and complete courses in a consistent manner. This ability is measured in two ways: Incremental Completion Rate (ICR) and Cumulative Grade Point Average (CGPA). Failure to complete courses successfully for any reason may negatively affect academic progress. Failing courses or withdrawing from courses could result in the loss of financial aid. In order for a student to graduate, the minimum requirements are a CGPA of 2.0, and completion of the program in no more than 150% of total program credits.

MAXIMUM ALLOWABLE TIME FRAME

To be awarded the designated degree of the academic program, the student must successfully complete all the program requirements within the maximum allowable time frame, which is 150% of the program length. The maximum allowable time frame is calculated, as a period of time during which a student attempts 1.5 times the number of credit hours required to complete the program.

For example,

- Student in a 90-credit program can attempt no more than 135 credits.
- Student in a 96-credit program can attempt no more than 144 credits.
- Student in a 105-credit program can attempt no more than 157 credits.
- Student in a 112-credit program can attempt no more than 168 credits.
- Student in a 135-credit program can attempt no more than 202 credits.
- Student in a 180-credit program can attempt no more than 270 credits.
- Student in a 192-credit program can attempt no more than 288 credits. Note: The trigger for the student's academic progress is evaluated at the end of each quarter.

SATISFACTORY ACADEMIC PROGRESS POLICY MILESTONES AND EVALUATION POINTS

	Evaluation Point	Milestones (CGPA and ICR)	Required Action
Diploma	End of First Quarter	less than 1.0 and/or 33.33%	Academic Probation
	End of Second Quarter	less than 1.0 and/or 33.33%	Dismissal
	End of Second Quarter	less than 1.5 and/or 50% greater than 1.0 and 33.33%	Academic Probation
	End of Fourth Quarter And every quarter thereafter	less than 2.0 and 66.67%	Dismissal
Associate, Bachelor	End of Second Quarter	less than 1.0 and/or 33.33%	Academic Probation
	End of Third Quarter	less than 1.0 and/or 33.33%	Dismissal
	End of Third Quarter	less than 1.5 and/or 50% greater than 1.0 and 33.33%	Academic Probation
	End of Sixth Quarter* and every other quarter thereafter	less than 2.0 and 66.67%	Dismissal
Master's	All Quarters	less than 3.0 and 66.67%	Dismissal

*If a student's CGPA falls below 2.0, but is at least 1.8 and/or the ICR is below 66.67% but at least 60%, the student may be placed on probation one time after he or she has moved beyond his or her sixth quarter. The student would then need to achieve the 2.0 and 66.67% milestones at the next evaluation point or be dismissed.

Please note that a student may be terminated for academic reasons without previous academic action.

EXTENDED ENROLLMENT STATUS

While ACICS allows for an extended enrollment status, the Art Institutes will not be participating in this portion of the criteria.

DENIAL OF GRADUATION WITH A DEGREE

Any student failing to achieve a CGPA of 2.0 at the completion of all required program credits will not be allowed to graduate with a degree. ACICS allows for a student to be awarded a certificate of completion in this situation, however, the Art Institutes will not be participating in this portion of the criteria.

PROCEDURE FOR APPEALING ACADEMIC TERMINATION

Any student wishing to appeal an academic termination may do so in writing to the Dean of Academic Affairs. The written appeal must state the mitigating circumstances that contributed to the termination. The written appeal must be supported with appropriate documentation of the mitigating circumstances with explanation on how the circumstances have been remedied or

changed. The Dean of Academic Affairs or a committee will review a student's appeal and will determine whether the student's circumstance(s) and academic status warrant consideration for reinstatement. The student may be asked to appear in person during the review process when deemed necessary by the Dean or the Committee.

Mitigating circumstances are generally events that are outside the student's control and are unavoidable.

A student who is granted an appeal may be reinstated and if otherwise eligible, receive financial aid; however, the student will be placed on probation for that quarter.

PROCEDURE FOR REENTRY AFTER ACADEMIC TERMINATION

Termination Reentry Process

A student terminated for violating the SAPP must appeal in writing to the Dean of Academic Affairs for reentry before the start of the quarter in which he/she wishes to return. Also, any student who ceased attendance and whose grades in the last quarter of attendance caused him or her not to meet the minimum standards of the SAPP must go through the same appeal process. The appeal procedure described in the preceding section applies. If the appeal is granted, the reentering student will be placed on probation during the quarter of return. The student must meet the minimum standards of the SAPP to continue in the program. The student must successfully retake courses previously failed so that the recalculated GPA and successful completion percentage meets or exceeds the minimum requirements. A student is allowed one and only one reentry appeal after being academically terminated.

The Art Institute Student Reentry Process

Any student who has left the Institute for any time period must go through the formal reentry process and each student's academic status must be reviewed before they can be considered for reentry. For details, please refer to the school's procedure for readmission.

ATTENDANCE POLICIES AND PROCEDURES

ATTENDANCE POLICY

Developing and maintaining a good class attendance record is an important facet of each student's professional development. The attendance record is included in the student's permanent file.

A student is expected to attend all classes as scheduled, on time, and to remain in the classes for the full duration. Outside employment is not to be scheduled during class hours. The Art Institutes reserve the right to schedule or reschedule students and/or classes at any time necessary to accommodate classroom and facility usage needs. There are no excused absences. However, it is recognized that a student may be absent from class due to serious illness or family emergency. Documented absences of this nature will be considered prior to attendance suspension or termination.

ATTENDANCE RECORDING

All student attendance is recorded from the first (1st) day of the quarter. There are no excused absences. Should a student adjust his/her schedule within the Schedule Adjustment Period, he or she will be marked absent for any class missed.

The attendance recording, monitoring, and follow-up procedures are as follows:

- **Full Absence:** A full day of absence is defined as being absent for the total number of hours classes are scheduled each day for the program in which the student is enrolled. Absences are recorded from the first day of the quarter regardless of the reason for absence.

- **Partial Absence:** A student who arrives late or leaves class early is charged in 15-minute increments of absenteeism. This absence accumulates toward total absenteeism on a student's quarterly record.

ATTENDANCE WITHDRAWAL

Students who do not attend any classes for fourteen (14) consecutive calendar days and fail to notify the Academic Affairs Department, will be withdrawn from school. In addition, the student may be involuntarily withdrawn at the discretion of the Academic Director, and with the approval of the Dean of Academic Affairs, at any time.

ATTENDANCE APPEAL

If a student is withdrawn due to a violation of the Attendance Withdrawal Policy, the student must appeal in writing to the Dean of Academic Affairs to be reinstated for the same quarter in which the violation occurred. The written appeal must address the circumstances that caused the withdrawal policy to be invoked and how the circumstances have been remedied or changed so as to now allow the student to be successful in his/her education endeavors. The Dean of Academic Affairs and/or an Appeals Committee will review the student's appeal and determine if the student is to be re-instated or the appeal is to be denied. The student may be asked to appear in person during the review process when deemed necessary by the Dean or the Committee.

If the student does not appeal the attendance violation, he/she will be eligible to return in the next quarter as a reentry as long as he/she is in good academic standing.

TUITION RATE POLICY FOR WITHDRAWN STUDENTS

Students who leave school and are approved to return are required to sign a new enrollment agreement and are subject to the current tuition rate as printed on their new enrollment agreement.

Students who have been gone due to mitigating circumstances for one quarter or less may be eligible to maintain their previous tuition rate. Students must request their previous tuition rate in writing prior to their return to school. The request must be submitted to the Assistant Director of Readmissions.

TRANSFER OF CREDIT TO OTHER INSTITUTIONS

The Art Institute of California — Los Angeles and its two branches, The Art Institute of California — Orange County, and The Art Institute of California — San Francisco are licensed by the Bureau for Private Postsecondary and Vocational Education to confer Diploma's, Associate of Science, Bachelor of Science, Bachelor of Fine Arts (San Francisco only), Master of Fine Arts (San Francisco only) degrees and accredited by the Accrediting Council for Independent Colleges and Schools, an accrediting agency recognized by the United States Department of Education.

However, the fact that a school is licensed and accredited is not necessarily an indication that credits earned at that school will be accepted by another school. In the U.S. higher education system, transferability of credit is always determined by the receiving institution taking into account such factors as course content, grades, accreditation, and licensing. The mission of The Art Institutes is to help students to prepare for entry-level employment in students' chosen field of study. The value of programs like those offered by The Art Institutes is their deliberate focus on marketable skills. The credits earned are not intended as a steppingstone for transfer to another institution. For this reason, it is unlikely that the academic credits students earn at The Art Institutes will transfer to another school. For example, if a student enters as a freshman, he/she will likely be a freshman if he/she enters another college or university at some time in the future even though he/she earned credits at our school. In addition, if he/she earns a degree, diploma, or certificate in

our program, in most cases it will probably not serve as a basis for obtaining a higher level degree at another college or university. This statement is provided in accordance with California Private Postsecondary and Vocational Education Reform Act §94816(b), January 1, 1998. Programs offered by one school within The Art Institutes system may be similar to but not identical to programs offered at another school within the system. This is due to differences imposed by state law, use of different instructional models, and local employer needs. Therefore, if a student decides to transfer to another school within The Art Institutes system, not all of the credits you earned at The Art Institutes may be transferable into that school's program.

If a student considers transferring to either another Art Institute or an unaffiliated school, it is the student's responsibility to determine whether that school will accept the Art Institutes' credits. We encourage students to make this determination as early as possible. The Art Institutes do not imply, promise, or guarantee transferability of its credits to any other institution.

REFUND POLICY

REFUND POLICY PRIOR TO MATRICULATION

Applicants may cancel their enrollment in person or in writing before the beginning of classes. An applicant not requesting cancellation before the starting date indicated on the Enrollment Agreement will be considered a student.

1. The Art Institutes will notify the applicant, in writing, of his/her acceptance/rejection. All monies paid by an applicant, less the nonrefundable application fee (if applicable), will be refunded if the applicant is not accepted for admission. The application fee is refunded for diploma students who are governed by the Maxine Waters Act.
2. All monies, less the nonrefundable application fee (if applicable) paid by the applicant, will be refunded if requested by applicant within five business days after signing the Enrollment Agreement and making an initial tuition payment. The application fee is refunded for diploma students who are governed by the Maxine Waters Act.
3. Associate's, bachelor's, and master's degree applicants requesting cancellation more than five business days after signing the Enrollment Agreement (and making an initial tuition payment), but prior to the first day of classes, will receive a refund of all monies paid, less a cancellation fee of \$100. Diploma students who make a cancellation request prior to the sixth day of classes will receive a 100% refund of all monies paid, with no cancellation fee applied. All tuition payments are refunded according to Title IV guidelines.
4. All tuition and fee monies paid by associate's, bachelor's, and master's applicants will be refunded, less the non-refundable application fee (if applicable), will be refunded if the request is made within five business days after his/her first tour of the school and inspection of equipment or, if the request is made within three business days of the student's attendance at the regularly scheduled orientation program for his/her starting date, whichever is sooner. Diploma students will be refunded the application fee.

Refunds will be made within 14 calendar days after the applicant's request or within 30 calendar days after his/her first scheduled class day.

REFUND POLICY AFTER MATRICULATION

Associate's, bachelor's, or master's degree students who withdraw from their program after the first day of instruction or Diploma students who withdraw after their fifth day of instruction are entitled to only a partial refund. The refund policy is applied up to the 60 percent point of the quarter (period of attendance).

A percentage of Federal Title IV Aid will be returned if the student withdraws during the first 60 percent of the quarter. The amount returned will be based on the percentage of days remaining in the quarter. The school will determine the calendar days completed in the quarter divided by the total number of calendar days in the quarter. If the amount is less than or equal to 60 percent, then that percent of the Federal Title IV Aid received is the amount that can be retained. The difference will be returned to the Federal Title IV Aid program from which funds were received in this order: Unsubsidized Stafford Loan, Subsidized Stafford Loan, Perkins Loan, PLUS Loan, Pell Grant, SEOG.

If Federal Title IV Aid funds have been given to the student, and if the student withdraws during the first 60 percent of the quarter/semester, the student may need to return some of those funds. If the student needs to return funds, the school will notify the student regarding how much is owed, and how it is to be returned.

ADJUSTMENT OF CHARGES:

In accordance with California State policy, the school will earn tuition and fees on a proportional basis, up to the 60 percent point of each quarter. After the 60 percent point of each quarter, the school will earn 100 percent of the charges for that quarter.

The school will first calculate how much needs to be returned under the Federal Return of Title IV Aid policy. That amount will then be subtracted from the amount that was paid for the quarter of withdrawal to get the adjusted amount paid. The school will then calculate how much of the charges can be retained based on the State of California policy. The amount that can be retained will be subtracted from the adjusted amount paid. If there are additional federal funds to be returned, they will be given to the student, or, with the student's permission, to the federal loans in this order: Unsubsidized Stafford Loans, Subsidized Stafford Loans, Plus Loans, and Perkins Loans. If there is a credit balance remaining after federal funds are returned, it will be refunded in this order: Unsubsidized Stafford Loan, Subsidized Stafford Loans, Plus Loans, Perkins Loans, other loans, students.

If kits, components of the kit, books, or supplies, are returned to the bookstore in resalable condition within 21 days of withdrawal, a credit or refund will be given. All refunds and return of funds will be made within 30 days of the date that the student notifies the school of the withdrawal.

Students who leave school during the first three weeks of the mid-quarter session may return the starting kit and/or individual components of the starting kit within 10 days of their last date of attendance of the term.

CALIFORNIA REFUND POLICY - ALL STUDENTS

If a student withdraws from the program after the first day of instruction, The Art Institutes may retain earned tuition and fees up to the 60 percent point in the quarter. This calculation is as follows: Tuition and fees for the quarter divided by the number of hours in the quarter equals the cost per hour. Number of hours that the student was scheduled to attend multiplied by the cost per hour equals the amount of tuition and fees that The Art Institutes can retain.

CALIFORNIA POLICY — WITHDRAWAL REFUND EXAMPLE

A student enrolls in a 112-quarter credit program. The quarter in which the student withdraws has a total of 220 hours of study. The tuition and fees charged for that quarter's hours of study are \$5,780 (not including equipment). The cost per hour is calculated by dividing the total tuition charge

by the hours in the quarter of enrollment (charge period) = $\$5,780/220 = \26.27 per hour. From the date the student last attended or the institution determined the student's date of withdrawal according to its policy, the refund would be calculated as follows: 112 hours (number of class hours as of withdrawal date) X 26.27 = \$2,942.24 (amount the Institute can retain). The refund would be calculated as follows: \$5,780 (amount student paid) - \$2,942.24 (amount Institute retains) = \$2,837.76 (refund). The student in this example is assumed to have paid cash and received no financial aid.

STUDENT WITHDRAWAL

A student may voluntarily withdraw from The Art Institutes by notifying the Office of the Registrar in writing or in person. The refund policies outlined above shall apply in the event that a student withdraws, is suspended, or is terminated from school. In the calculation of refunds, a student is deemed to have withdrawn from a course of instruction when any of the following occur:

1. Student officially notifies The Art Institutes that he/she is withdrawing at that time. The notification date is the date of withdrawal.
2. Student officially notifies The Art Institutes that he/she is withdrawing at a later date. The later date is the last date of attendance and the notification date is the date of withdrawal.
3. Student does not notify The Art Institutes that he/she is withdrawing but stops attending. The date that The Art Institutes determines that the student is not attending the current term or is not returning for the next term is the date of withdrawal. This date will be within 21 days of the last date that the student attended, if a student stops attending during a term.
4. The Art Institutes terminates the student's enrollment in accordance with institutional policies. The termination date is the date of withdrawal. Refund is made within 30 calendar days from the date of withdrawal as described above.

CANCELLATION OF START DATE

Cancellation by The Art Institutes of a scheduled class start date for any program shall entitle a student to a cancellation of the Enrollment Agreement with a full refund of all monies paid, including application (if applicable) and administrative fees. However, the student can elect to accept instead a guaranteed reservation in the next scheduled class for that program.

- c.) Unless otherwise provided by law, The Art Institutes generally will not disclose the name of the person making the complaint to the accused student ("STUDENT") unless it determines in its sole discretion that the circumstances warrant it

Notification and Adjudication

- a.) Within a reasonable period of time after the complaint is received, the Dean of Student Affairs or his/her delegate will notify the STUDENT of the complaint and the alleged violation of the student conduct policy. This notification may be in written form or through oral communication. The STUDENT will meet with the Dean of Student Affairs or his/her delegate to discuss the complaint and alleged violation. - The Hearing Officer shall provide the STUDENT with a copy of the determination, including information regarding the student's right of appeal therefrom.

During the interim suspension, students shall be denied access to school-sponsored housing and/or to the school (including classes, labs, library) and/or all other school activities or privileges for which the student might otherwise be eligible, as the Dean of Student Affairs or designee may determine to be appropriate.

Student Involvement in Conduct Proceedings (Option to Add)

At the discretion of the President, Dean of Student Affairs or his/her delegate, students of The Art Institutes may participate in the adjudication of disciplinary proceedings including hearings and appeals.

Violations of Law

If a student is charged with a violation of federal, state or local laws or regulations occurring away from the school, disciplinary action may be instituted and sanctions imposed against the student when the school has a reasonable belief that the health, safety or welfare of The Art Institutes community is threatened. Disciplinary procedures may be instituted against a student charged with violation of a law that is also a violation of the student conduct policy. Proceedings under this policy may be carried out prior to, simultaneously with, or following civil or criminal proceedings off campus. The Art Institutes will cooperate fully with law enforcement and other agencies in the enforcement of criminal laws on school property.

Search of Student's Property

The Art Institutes reserves the right to search the contents of students' personal property or belongings when there is reasonable suspicion on the part of The Art Institutes staff that a serious risk to the health, safety and welfare of students, and/or the school community exists. This includes but is not limited to vehicles brought onto property leased, owned or controlled by the school, backpacks, portfolios and clothing. This policy also applies to student property in school-sponsored housing.

IV. SANCTIONS

The Art Institutes may impose sanctions for violations of the student conduct policy. The type of sanction imposed may vary depending upon the seriousness of the violation(s). The Art Institutes reserves the right to immediately impose the most severe sanction if circumstances merit.

Although not exhaustive, the following list represents the types of sanctions that may be imposed upon any student or student organization found to have violated the student conduct policy:

1. **Warning:** A notice in writing that a student has failed to meet some aspect of the school's standards and expectations
2. **Probation:** Probation is used for repeated violations or a specific violation of a serious nature. The Dean of Student Affairs or his/her delegate defines the terms of probation.
3. **Removal from Sponsored Housing:** The student will be immediately dismissed from school-sponsored housing. The student will be required to vacate the premises according to the terms of the sanction.
4. **Suspension:** Separation of the student from the school for a pre-determined period of time. The student may be able to return to school once specified conditions for readmission are met. The student may not attend classes, visit school-sponsored housing, use school facilities, participate in or attend school activities, or be employed by the school during his/her suspension.
5. **Expulsion:** The student will be expelled from The Art Institutes immediately. The student will not be permitted to continue his or her studies at the school and may not return to the school or to school-sponsored housing at any time or for any reason.
6. **Restitution:** Compensation for loss or damage to property leased, owned or controlled by the school. This may take the form of monetary or material replacement.
7. **Discretionary Sanctions:** The student will be required to complete an educational service, attend counseling, or have restricted privileges.

The above list is only a general guideline. Some sanctions may be omitted, and other sanctions not listed above may be used.

V. Appeal Procedures

Students have a right to appeal disciplinary actions when they believe they have been treated in an arbitrary or biased fashion or without adherence to The Art Institutes policies and procedures.

- The student must initially obey the terms of the decision, i.e., a student who has been suspended from school may not be on school property, a student dismissed from school-sponsored housing must leave in accordance with the directions indicated in the decision
- The student must write a letter of appeal in the student's own words, addressed to the President of The Art Institutes or his/her delegate. This letter must state the grounds for believing the decision was arbitrary or biased or that it was without adherence to The Art Institutes policies and procedures. It must be delivered to the President or his/her delegate within seven calendar days following the student's receipt of the decision.
- The President or his/her delegate may appoint an ad hoc committee to review appeals and make a recommendation regarding disposition of the appeal. This committee will be comprised of faculty or staff members not involved in making the initial disciplinary decision. The student making the appeal may be provided an opportunity to address the committee in person. The student may be accompanied by one person (family member, friend, etc) as an observer. The student may not be accompanied by an attorney. The committee may prohibit from attending or remove any person who disrupts the proceedings of the committee.
- The committee will report back to the President or his/her delegate with its recommendation following its review of the appeal. The President or his/her delegate will render a written decision on the appeal within thirty calendar days from receipt of the appeal. The decision will be final.

FAMILY EDUCATIONAL RIGHTS & PRIVACY ACT [FERPA]

The Family Educational Rights and Privacy Act of 1974, as amended ("FERPA") sets out requirements designed to afford students certain rights with respect to their education records. In addition, it puts limits on what information The Art Institutes may disclose to third parties without receiving prior written consent from the student.

I. PROCEDURE TO INSPECT EDUCATION RECORDS

Students have the right under FERPA to inspect and review their education records. A student who wishes to inspect and review his/her records should submit a written request to the Dean of Academic Affairs or the Registrar. The request should identify as precisely as possible the records the student wishes to inspect. If the requested records are subject to inspection and review by the student, arrangements for access will be made within a reasonable period of time but in no case more than 45 days after the request was made, and the student will be notified of the time and place where the records may be inspected. The school may require the presence of a school official during the inspection and review of a student's records.

Certain limitations exist on a student's right to inspect and review their own education records. Those limitations include, for example, the following: (i) financial information submitted by parents; (ii) confidential letters and recommendations placed in their files prior to January 1, 1975; (iii) confidential letters and recommendations placed in their files after January 1, 1975 to which the student has waived his or her right to inspect and review and that are related to the student's admission, application for employment or job placement, or receipt of honors. In addition, the term "education record" does not include certain types of records such as, by way of example, records of instructional, supervisory, administrative, and certain educational personnel that are in the sole possession of the maker thereof, and are not accessible or revealed to any other individual except a substitute.

When a record contains personally identifiable information about more than one student, the student may inspect and review only the information that relates to him/her personally.

II. DISCLOSURE OF EDUCATIONAL RECORDS

The Art Institutes generally will not permit disclosure of personally identifiable information from the records of a student without prior written consent of the student. Personally identifiable information is disclosed (some items are mandatory, some discretionary) from the records of a student without that student's prior written consent to the following individuals or institutions or in the following circumstances:

1. To The Art Institutes' officials who have been determined by the school to have legitimate educational interests in the records. A school official is:
 - a. a person employed by the school in an administrative, supervisory, academic or research, or support staff position; or
 - b. a person employed by or under contract to the school to perform specific tasks, such as an auditor, consultant, or attorney, a person on the Board of Trustees, or a student serving on an official committee or assisting another school official.

Any school official who needs information about a student in the course of performing instructional, supervisory, advisory, or administrative duties for The Art Institutes has a legitimate educational interest.

2. To certain officials of the United States Department of Education, the Comptroller General of the United States, the Attorney General of the United States, and state and local educational authorities in connection with state or federally supported educational programs.

3. In connection with the student's request for, or receipt of, financial aid necessary to determine the eligibility, amounts or conditions of financial aid, or to enforce the terms and conditions of the aid.
4. To organizations conducting certain studies for or on behalf of the school.
5. To accrediting commissions or state licensing or regulatory bodies to carry out their functions.
6. To parents of a dependent student, as defined in Section 152 of the Internal Revenue Code.
7. To comply with a judicial order or lawfully issued subpoena.
8. To appropriate parties in health or safety emergencies.
9. To officials of another corporate or Art Institutes school, upon request, in which a student seeks or intends to enroll.
10. To an alleged victim of a crime of violence or a non-forcible sexual offense, the final results of the disciplinary proceedings conducted by the school against the alleged perpetrator of that crime or offense with respect to that crime or offense.
11. To persons in addition to the victim of a crime of violence or nonforcible sexual offense, the final results of the disciplinary proceedings described in paragraph 10 above but only if the school has determined that a student is the perpetrator of a crime of violence or non-forcible sexual offense, and with respect to the allegation made against him or her, the student has committed a violation of the institution's rules or policies. (The school, in such instances, may only disclose the name of the perpetrator not the name of any other student, including a victim or witness without the prior written consent of the other student(s)).
12. To a parent regarding the student's violation of any federal, state, or local law or of any rules or policy of the school governing the use or possession of alcohol or a controlled substance if the school determines that the student has committed a disciplinary violation with respect to that use or possession, and the student is under 21 at the time of the disclosure to the parent.
13. Directory information (see Section IV below).

III. RECORD OF REQUESTS FOR DISCLOSURE

Except with respect to those requests made by the student themselves, those disclosures made with the written consent of the student, or to requests by or disclosures to Art Institutes officials with legitimate educational interests and disclosures of directory information (or other exceptions described in the applicable regulations), The Art Institutes will maintain records indicating the parties who have requested or obtained personally identifiable information from a student's education records and the legitimate interests those parties had in requesting or obtaining the information. This record may be inspected by the student.

IV. DIRECTORY INFORMATION

The Art Institutes designate the following information as directory information. (Directory information is personally identifiable information which may be disclosed without the student's consent):

1. Student's name
2. Address: Local, email, and website
3. Telephone number (local)
4. Date and place of birth
5. Program of study
6. Participation in officially recognized activities
7. Dates of attendance
8. Degrees and certificates awarded

9. Most recent previously attended school
10. Photograph of the student, if available
11. Enrollment status (i.e., enrolled, continuing, future enrolled student, reentry, leave of absence, etc.)

Notice of these categories and of the right of an individual in attendance at The Art Institute to request that his/her directory information be kept confidential will be given to the student annually. Students may request nondisclosure of student directory information by specifying nondisclosure, in writing, to the Office of the Registrar. Failure to request nondisclosure of directory information will result in routine disclosure of one or more of the above-designated categories of personally identifiable directory information.

V. CORRECTION OF EDUCATION RECORDS

Students have the right under FERPA to ask to have records corrected which they believe are inaccurate, misleading, or in violation of their privacy rights. The following are the procedures for the correction of records:

1. A student must ask the Dean of Academic Affairs or Registrar to amend a record. As part of the request, the student should identify the part of the record they want to have changed and specify why they believe it to be inaccurate, misleading, or in violation of his/her privacy rights.
2. The Art Institutes may either amend the record or decide not to amend the record. If it decides not to amend the record, it will notify the student of its decision and advise the student of the right to a hearing to challenge the information believed to be inaccurate, misleading, or in violation of the student's privacy rights.
3. Upon request, The Art Institutes will arrange for a hearing and notify the student reasonably in advance of the date, place, and time of the hearing. The hearing will be conducted by an individual who does not have a direct interest in the outcome of the hearing. That individual may be an official of The Art Institutes. The student shall be afforded a forum for the opportunity to present evidence relevant to the issues raised in the original request to amend the student's education records. The student may be assisted by other people, including an attorney.
4. The Art Institutes will prepare a written decision based solely on the evidence presented at the hearing. The decision will include a summary of the evidence, and the reasons for the decision.
5. If, as a result of the hearing, The Art Institutes decide that the information is inaccurate, misleading, or otherwise in violation of the privacy rights of the student, it will (a) amend the record accordingly; and (b) inform the student of the amendment in writing.
6. If, as a result of the hearing, The Art Institutes decide that the information in the education record is not inaccurate, misleading, or otherwise in violation of the privacy rights of the student, it shall inform the student of the right to place a statement in the record commenting on the contested information in the record or stating why he or she disagrees with the decision of the school.
7. If a statement is placed in the education records of a student under paragraph 6 above, The Art Institutes will:
 - (a) maintain the statement with the contested part of the record for as long as the record is maintained; and
 - (b) disclose the statement whenever it discloses the portion of the record to which the statement relates.

STUDENT RIGHT TO KNOW ACT

The Student Right to Know Act requires the annual distribution of the school's graduation/completion rate to all students. Information on graduation/completion rates for first-time full-time students are available through the Admissions Office. These rates are calculated according to guidelines in the "Student-Right-To-Know" Act.

DRUG POLICY

The Art Institute has a deep and continuing commitment to achieving an educational community free of substance abuse. We are concerned for the well-being of any individual who has a problem with alcohol or drug abuse, and we can offer assistance with counseling services by providing resources and referrals to community drug and alcohol treatment centers.

DRUG-FREE WORKPLACE AND CAMPUS POLICY

The use of illegal drugs and the abuse of alcohol on The Art Institutes properties or in facilities controlled by The Art Institutes are prohibited by college regulations and are incompatible with The Art Institutes' goal of providing a healthy educational environment for students, faculty, staff and guests. The following information is provided in compliance with the Drug-Free Schools and Communities Act Amendments of 1989.

EFFECTS OF DRUGS AND ALCOHOL

Although individuals often use drugs and alcohol to achieve a variety of effects on mind and body that are found to be temporarily useful or pleasurable, drugs can be highly addictive and injurious. A person can pay a price in terms of his or her physical, emotional, and social health.

This price can be paid in a number of ways. The risk of contracting sexually transmitted diseases, including AIDS, is increased through unwanted or unprotected sex when one is under the influence of drugs or alcohol. Drugs can be the trigger for violent crime. Economic and legal problems usually follow directly when one tries to support a drug habit by resorting to crime. The dependence, illness, loss of job, and loss of family or friends that can result from drug or alcohol use and abuse can be tragic.

In keeping with the mission of The Art Institutes and the requirements of state and federal law, The Art Institutes have adopted this program to ensure a drug-free campus and workplace and to prevent the use of controlled substances and the abuse of alcohol.

SANCTIONS

The Art Institutes, in all actions, seek to uphold local, state and federal laws. Insofar as permitted by these laws, The Art Institutes will apply sanctions that could lead to a student being fined, suspended or expelled or an employee being disciplined, suspended or dismissed for violation of The Art Institutes' standards of conduct. Students and employees may also be referred for prosecution. Disciplinary sanctions may include the completion of an appropriate rehabilitation program, at the student's or employee's expense, if necessary.

STATE AND FEDERAL SANCTIONS

Federal penalties and sanctions for illegal possession of a controlled substance include the following:

First conviction: up to 1 year in prison, fine of \$1,000 to \$100,000, or both

Second conviction: at least 15 days and up to 2 years imprisonment, \$5,000 to \$250,000 fine, or both

CONVICTIONS FOR DRUG-RELATED OFFENSES

Any student convicted of any drug-related criminal statute must notify the Dean of Student Affairs, in writing, no later than five (5) days after such conviction regardless of where the offense occurred. This is because under federal and state laws, any student convicted of a drug-related felony offense must be denied all federal and state assistance, including Pell Grants and Cal Grants. However, a criminal conviction shall not be necessary to find that a student has violated these standards of conduct, and The Art Institutes need not, and ordinarily will not, defer their own actions and sanctions pending the outcome of any criminal proceeding.

The Counselor can refer you to one that meets your needs.

A list of emergency and sliding-fee scale resources is available from the Counselor.

SUICIDE

The Problem of Suicide

- In 1998, suicide was the eighth leading cause of death for all Americans, the third leading cause of death for those aged 15-24, and the second leading killer in the college population.
- These statistics demonstrate the seriousness of suicide, which is often linked to untreated depression. Clinical depression affects more than 19 million adults every year.
- Although women suffer from clinical depression and attempt suicide more than men, men are more likely to complete the act. Any talk of suicide by a friend or loved one should be taken seriously and help should be sought immediately.

Symptoms

Depression and thoughts of suicide can impact a person's life in many different ways. Not everyone experiences depression and suicidal tendencies in the same way. Some people may have behavioral changes, while others experience physical changes.

Depression and suicide have many common warning signs including:

- Sadness or anxiety

- Feelings of guilt, helplessness or hopelessness
- Trouble eating or sleeping
- Withdrawing from friends and/or social activities
- Loss of interest in hobbies, work, school, etc.
- Increased use of alcohol or drugs
- Anger

Specific signs of potential suicide include:

- Talking openly about committing suicide
- Talking indirectly about “wanting out” or “ending it all”
- Taking unnecessary or life-threatening risks
- Giving away personal possessions

Depression alone or in combination with aggressive behavior, substance abuse and/or anxiety is found in over half of all suicides. If depression is present, substance abuse, anxiety, impulsivity, rage, hopelessness and desperation may increase the risks of suicide.

Suicide can be also be triggered by a number of things including:

- stressful events, such as a failed exam or failure to get a job
- crises in significant social or family relationships
- interpersonal losses
- changes in body chemistry
- high levels of anger or anxiety

How to help a friend

If you notice any of the above warning signs in a friend or loved one, you have reason to be concerned. There are ways that you can be helpful to a friend or loved one who is thinking of taking their own life.

- Be honest and express your concerns. For example, “You seemed really down lately; is something bothering you?”
- Ask directly about thoughts of suicide. For example, “Have you thought of hurting yourself?” If suicidal thoughts are expressed it is important to contact the college counselor, 9-1-1 or the local mental health association.
- Listen and offer emotional support, understanding and patience.
- Convey the message that depression is real, common and treatable. Suicidal feelings are real and preventable.
- Offer to accompany your friend to see a counselor.

Resources

If you or a friend needs help, please contact 9-1-1. The college counselor and/or one of the resources below are also available. The following organizations may also help, providing additional information about depression and suicide.

Procedures following suicide threats and attempts

The Art Institute expects and encourages students to maintain a reasonable concern for their own self-welfare and the welfare of the campus community. Demonstrated suicidal intent or behavior are risk factors for completed suicide and are a violation of The Art Institute student code of conduct. In the event that The Art Institute has reasonable cause to believe that a student attempted or will attempt suicide or has engaged in efforts to prepare to commit suicide, the School will generally require the student to undergo a mandatory assessment at his or her own expense by an outside licensed mental health professional. Such assessment may include but is not limited to a psychological evaluation at a local hospital and/or emergency room to ensure the safety of the student and the larger community. The assessment should take place immediately and the student should sign a release of information allowing the mental health professional to communicate with school staff information related to the student's safety and well-being.

The purpose of the mandated assessment is to gather information and recommendations about the student's condition, his or her need for psychiatric hospitalization and to provide the student with appropriate psychological and psychiatric referrals. The School will ask the mental health professional to share information about what steps the School might take to protect the safety of the student and the school community at large. Students with psychological impairments which affect the student's ability to function in the school community (academically, socially or otherwise) may opt for a medical withdrawal or a medical leave of absence. Students who have to be hospitalized due to a suicide attempt and/or suicidal ideation will be placed on interim suspension which will remain in effect until the student provides appropriate documentation from a licensed mental healthcare provider stating that the student can safely return to college and is not believed by the healthcare provider to present a threat to harm himself/herself or others. Notwithstanding, the School at its discretion may set restrictions and/or conditions for the student to return to School including receiving outside counseling, signing a safety contract, and restricting or denying school-sponsored housing accommodations.

[School name] cannot provide the long-term psychological treatment that is necessary for students experiencing suicidal distress. Because of the serious nature of attempted suicide and/or suicidal ideation, the student's parents or other support person(s) may be contacted by the School and informed of the student's condition. The Family Educational Rights and Privacy Act (FERPA) permits school officials to contact parents without the student's consent, "if knowledge of the information is necessary to protect the health and safety of the student or other individuals." If circumstances indicate further harm may come to a student by contacting family members, other options may apply. Failure to adhere to the guidelines outlined herein may result in disciplinary action.

NO HARASSMENT POLICY

The Art Institutes are committed to providing workplaces and learning environments that are free from harassment on the basis of any protected classification including, but not limited to race, sex,

gender, color, religion, sexual orientation, age, national origin, disability, medical condition, marital status, veteran status, or on any other basis protected by law. Such conduct is unprofessional, unproductive, illegal, and generally considered bad for business. Consequently, all conduct of this nature is expressly prohibited, regardless of whether it violates any law.

DEFINITION OF SEXUAL HARASSMENT

Sexual harassment consists of unwelcome sexual advances, requests for sexual favors, or other verbal or physical conduct of a sexual nature where:

- a. Submission to such conduct is an explicit or implicit term or condition of a person's status in a course, program, or activity or in admission, or in an academic decision;
- b. Submission to or rejection of such conduct is used as a basis for an academic decision; or
- c. Such conduct has the purpose or effect of unreasonably interfering with an individual's work or academic performance or creating an intimidating, hostile, or offensive work or educational environment.

Examples of sexual harassment include, but are not limited to: unwanted sexual advances; demands for sexual favors in exchange for favorable treatment; verbal abuse of a sexual nature; graphic commentary about an individual's body, sexual prowess, or sexual deficiencies; leering; whistling; touching; pinching; assault; coerced sexual acts; suggestive, insulting or obscene comments or gestures; stalking; and displaying sexually suggestible objects or pictures. The Art Institutes prohibit all conduct of this nature whether or not such conduct violates any applicable laws.

OTHER FORMS OF HARASSMENT

Verbal abuse, insulting comments and gestures, and other harassing conduct are also forbidden under this policy when directed at an individual because of his or her race, color, sex, sexual orientation, familial status, age, religion, ethnic origin, or disability. It is the responsibility of each employee and each student to conduct himself or herself in a professional manner at all times and to refrain from such harassment.

COMPLAINT PROCEDURE

Students who feel they have been harassed should follow the Student Grievance Procedure for Internal Complaints of harassment or discrimination. Promptly after learning of such alleged conduct, The Art Institutes will conduct an investigation for the purpose of determining whether prohibited harassment has occurred. Efforts will be made to ensure confidentiality to the extent consistent with the goal of conducting an appropriate investigation. Students who initiate or participate in such investigations in good faith will be protected against school-related retaliation. If an investigation confirms the allegations, The Art Institutes will take prompt corrective action, which may include discipline, up to and including immediate dismissal.

ANTI-HAZING POLICY

Hazing involving The Art Institutes' students or student groups is strictly prohibited. Hazing is defined as any action or situation that recklessly or intentionally endangers the mental or physical health or safety of a student for the purpose of initiation or admission into or affiliation with any club or organization operating under the sanction of an institution of higher education.

For purposes of this definition, any activity as described in this definition that the initiation or admission into or affiliation with a club or organization is directly or indirectly conditioned shall be presumed to be "forced" activity, the willingness of an individual to participate in such activity

notwithstanding. This policy is applicable to all students and members of a student club or organization at The Art Institutes. Every student and member of a student club or organization is responsible for complying with this policy.

Individuals and/or student clubs that force, require, and/or endorse violations will be held directly responsible through the College's student conduct process and if appropriate, through local authorities, which may pursue criminal action. Students who wish to make a complaint under this policy should contact the Dean of Student Affairs. The negligence or consent of a student or any assumption of risk by the student is not a defense to an action brought pursuant to this policy. Student club activities or programs must not interfere with the rights and activities of others and should always reflect the best interests of the members of the organization it represents and the College community as a whole. In all cases of alleged violations of this policy, faculty and staff advisors and the national/international headquarters, if applicable, of any organization will be notified.

STUDENT GRIEVANCE PROCEDURE FOR INTERNAL COMPLAINTS OF DISCRIMINATION OR HARASSMENT

The Art Institutes do not discriminate or harass on the basis of race, color, national origin, sex, gender, sexual orientation, disability, age, religion, or any other characteristic protected by state, local, or federal law, in our programs and activities. The Directors of Human Resources at the Art Institutes have been designated to handle inquiries and coordinate the school's compliance efforts regarding the non-discrimination policy.

Students who believe they have been subjected to discrimination or harassment in violation of this policy should follow the procedure outlined below. This complaint procedure is intended to provide a fair, prompt, and reliable determination about whether The Art Institutes' non-discrimination policy has been violated.

1. Complainants are encouraged to file a complaint as soon as possible after an alleged incident of discrimination has occurred. Any student who chooses to file a discrimination complaint should do so for non-academic matters with the Director of Human Resources or for academic matters with the Dean of Academic Affairs. The complaint should be presented in writing and it should describe the alleged incident(s) and any corrective action sought. The complaint should be signed by the complainant. In most cases, the person accused of discrimination will be notified of the complaint by the Director of Human Resources or Dean of Academic Affairs.
2. The person accused of discrimination will have 14 calendar days to respond to the complaint in writing. The signed written response should be submitted to the Director of Human Resources or Dean of Academic Affairs.
3. The Director of Human Resources or Dean of Academic Affairs will investigate the allegations. Both the complainant and the accused will have the opportunity to meet and discuss the allegations with the investigator and may offer any witnesses in support of their position to the investigator during the course of the investigation. A student may be accompanied during investigation meetings and discussions by one person (family member, friend, etc.) who can act as an observer, provide emotional support, and/or assist the student in understanding and cooperating in the investigation. The observer may not be an attorney, unless otherwise required by local law. The investigator may prohibit from attending or remove any person who disrupts the investigation in the investigator's sole discretion.
4. The Director of Human Resources or Dean of Academic Affairs will determine whether a violation of The Art Institutes' non-discrimination policy has occurred. The Director of Human Resources or Dean of Academic Affairs will issue a written determination as promptly as

practicable. If the Director of Human Resources or Dean of Academic Affairs determines that the policy has been violated, the Director of Human Resources or Dean of Academic Affairs will also recommend corrective action.

5. The decision of the Director of Human Resources or Dean of Academic Affairs may be appealed by petitioning the Presidents' Offices of The Art Institutes. The written appeal must be made within 20 calendar days of receipt of the determination letter from the Director of Human Resources or Dean of Academic Affairs. The President, or his/her designee, will render a written decision on the appeal within 30 calendar days from receipt of the appeal. The President's decision shall be final.
6. Matters involving general student complaints will be addressed according to the Student Complaint Procedures, a copy of which can be found in this Handbook.

For more information about your rights under the federal laws prohibiting discrimination, please contact the Office for Civil Rights at the U.S. Department of Education or visit the Web site at <http://www.ed.gov/ocr>.

Please refer to the Arbitration Policy below for additional information regarding disputes or claims.

ARBITRATION

You and The Art Institutes agree that any dispute or claim between you and The Art Institutes (or any company affiliated with The Art Institutes, or any of its officers, directors, trustees, employees or agents) arising out of or relating to your enrollment agreement or, absent such agreement, your enrollment or attendance at The Art Institutes, whether such dispute arises before, during, or after your attendance and whether the dispute is based on contract, tort, statute, or otherwise, shall be, at your or The Art Institutes' election, submitted to and resolved by individual binding arbitration pursuant to the terms described herein.

If you decide to initiate arbitration, you may select either, JAMS or the National Arbitration Forum ("NAF") to serve as the arbitration administrator pursuant to its rules of procedure. If The Art Institutes intend to initiate arbitration, it will notify you in writing by regular mail at your latest address on file with The Art Institutes, and you will have 20 days from the date of the letter to select one of these organizations as the administrator. If you fail to select an administrator within that 20-day period, The Art Institutes will select one.

The Art Institutes agree that it will not elect to arbitrate any individual claim of less than \$5,000 that you bring in small claims court (or in a similar court of limited jurisdiction subject to expedited procedures). If that claim is transferred or appealed to a different court, however, or if your claim exceeds \$5,000, The Art Institutes reserve the right to elect arbitration and, if it does so, you agree that the matter will be resolved by binding arbitration pursuant to the terms of this Section.

IF EITHER YOU OR The Art Institutes CHOOSES ARBITRATION, NEITHER PARTY WILL HAVE THE RIGHT TO A JURY TRIAL, TO ENGAGE IN DISCOVERY, EXCEPT AS PROVIDED IN THE APPLICABLE ARBITRATION RULES, OR OTHERWISE TO LITIGATE THE DISPUTE OR CLAIM IN ANY COURT (OTHER THAN IN SMALL CLAIMS OR SIMILAR COURT, AS SET FORTH IN THE PRECEDING PARAGRAPH, OR IN AN ACTION TO ENFORCE THE ARBITRATOR'S AWARD). FURTHER, YOU WILL NOT HAVE THE RIGHT TO PARTICIPATE AS A REPRESENTATIVE OR MEMBER OF ANY CLASS OF CLAIMANTS PERTAINING TO ANY CLAIM SUBJECT TO ARBITRATION. THE ARBITRATOR'S DECISION WILL BE FINAL AND BINDING. OTHER RIGHTS THAT YOU OR The Art Institutes WOULD HAVE IN COURT ALSO MAY NOT BE AVAILABLE IN ARBITRATION.

The arbitrator shall have no authority to arbitrate claims on a class action basis, and claims brought by or against you may not be joined or consolidated with claims brought by or against any other person. Any arbitration hearing shall take place in the federal judicial district in which you reside. Upon your written request, The Art Institutes will pay the filing fees charged by the arbitration administrator, up to a maximum of \$3,500 per claim. Each party will bear the expense of its own attorneys, experts, and witnesses, regardless of which party prevails, unless applicable law or this Agreement gives a right to recover any of those fees from the other party. If the arbitrator

determines that any claim or defense is frivolous or wrongfully intended to oppress the other party, the arbitrator may award sanctions in the form of fees and expenses reasonably incurred by the other party (including arbitration administration fees, arbitrators' fees, and attorney, expert, and witness fees), to the extent such fees and expenses could be imposed under Rule 11 of the Federal Rules of Civil Procedure.

The Federal Arbitration Act ("FAA"), 9 U.S.C. §§ 1, et seq., shall govern this arbitration provision. This arbitration provision shall survive the termination of your relationship with The Art Institutes. If you have a question about the arbitration administrators mentioned above, you can contact them as follows:

The above supersedes any inconsistent arbitration provision published in any other document.

EXHIBITION OF STUDENT WORK

Student artwork is a great benefit in teaching other students and in demonstrating the nature and value of the programs. Artwork is used by admissions representatives to show prospective students and counselors what Art Institutes' students have achieved. Student artwork is also a basic part of the catalog and other publications and exhibitions illustrating the programs at The Art Institutes. The Art Institutes reserve the right to make use of the artwork of its students for such purposes with student consent. The Art Institutes also reserve the right to select artwork that is appropriate to a given circumstance and may choose not to display work that might be viewed as objectionable by some audiences.

If you are not able to pick up your artwork, you are responsible for making special arrangements with your teacher.

The Career Services departments of The Art Institutes assists current eligible students in locating and securing part-time, freelance work, and internships, and later assists eligible graduates in locating and securing full-time, field-related employment. While The Art Institutes provide Career Services, it does not guarantee employment or any particular level of compensation following graduation.

Graduate Employment Advisors

Advisors are available to assist current, eligible students in all phases of the career development and job search process. Aggressive efforts are made in developing and maintaining employer contacts through telemarketing, promotional material, employer visits, and recruiting events. A quarterly Graduate Portfolio Show and student employment Job Fair are events held to enhance student employability.

Student Employment Services

The Career Services staff is in contact with potential employers in order to secure part-time jobs for current students. After the student registers with the Student Employment Advisor, they are furnished leads for part-time employment and for field-related internships. The student is expected to follow up on all leads accepted and report progress to the Advisor. Job Fairs are held each quarter to bring employers who are looking to hire our students onto campus.

Alumni Services

As graduates progress in their careers, the Career Services Department remains available for assistance. Continued contact with alumni is important to The Art Institutes, and is maintained through periodic events, mailings, exhibitions, and newsletters. A relocation guide is available for alumni from other Art Institutes schools who are moving into the Inland Empire, Los Angeles, Orange County, Sacramento, San Diego or San Francisco areas. A comprehensive Art Institutes alumni website is available at www.alumniconnections.com/artinstitutes.

HOUSING SERVICES

The Art Institutes offer both School Sponsored Housing and Independent Housing referrals. The School Sponsored Housing program utilizes local apartment complex(s) in which students are assigned to single sex units with other students. Student Resident Assistants live on-site at the housing complex and provide assistance to the residents with peer counseling, conflict mediation, and activity planning. All utilities (except phone and internet) and basic furnishings are included in the quarterly housing charge. Contact the Student Affairs office for more information.

Independent Housing referrals are also located in the Student Affairs Department and include information on vacancies within local private homes and referrals to internet and print resources.

HEALTH SERVICES

Student Accident and Sickness Insurance Program

The Art Institutes do not offer health care services to students. However, The Art Institutes are pleased to make an insurance plan covering accident and illness available to our students and their dependents. ALL students are urged to carry a primary private insurance policy that covers comprehensive health care. Information regarding the benefits and costs of The Art Institutes' Student Accident and Sickness Plan is available from the Student Affairs Department at the school.

It is a requirement that ALL international students who attend The Art Institutes have adequate accident and illness insurance. If your existing health insurance policy will not protect you while you live in the United States, you may wish to consider the policy offered to our students by USI Insurance. All international students must either purchase one of the insurance plans offered by USI OR complete a waiver form indicating that you have your own insurance which adequately covers you in the United States. The insurance coverage you elect is a decision to be made by you.

USI is wholly separate from The Art Institutes and The Art Institutes have no financial interest in their operations, nor do The Art Institutes make any representation as to the quality or adequacy of medical care or insurance coverage provided to any student during his or her enrollment at The Art Institutes.

INTERNATIONAL STUDENT ADVISING

The International Student Advisor is the key contact for all nonimmigrant alien international students who hold visas. The advisor provides assistance and guidance regarding procedures and policies regarding nonimmigrant student visas and serves as the Designated School Official on behalf of the Department of Homeland Security to issue and sign immigration forms. Throughout the student's stay at The Art Institutes, the International Student Advisor will consult with and advise the student in order to help the student maintain compliance with Department of Homeland Security regulations and to assist in making this educational and life experience a positive one.

CAMPUS FACILITIES

COMPUTER LABS

Students are encouraged to use the computer labs as much as possible while studying at The Art Institutes to increase their skills and proficiency. The technology team provides access to hardware and software and the administration of all technology resources through policy guidelines. The goal is to provide fair and efficient service to all students and faculty. Questions and concerns should be directed to the Director of Technology.

POLICY FOR ACCEPTABLE USE OF COMPUTERS AND NETWORK RESOURCES

The Art Institutes are committed to ensuring a working and learning environment in which members of The Art Institutes communities* have access to the technological tools needed to successfully achieve their academic and administrative objectives.

All members of The Art Institutes' communities are responsible for the integrity of those resources. The Art Institutes' resources are to be used in a manner consistent with the academic and administrative functions of The Art Institutes, including use for study, instruction, research, the discharge of The Art Institutes' business or other Art Institutes' sanctioned activities.

Federal, state and local laws govern the use of these resources as well as Art Institutes' guidelines, policies and procedures published in this document, and elsewhere. Any use of The Art Institutes' resources that is inconsistent with the intended purposes of applicable laws and school policies will be considered inappropriate use and may result in suspension or termination of access, expulsion, termination of employment or other disciplinary action.

* The Art Institutes' communities are defined as students, faculty, staff, designated vendors and

authorized alumni of The Art Institutes and appropriate employees or designated agents of affiliated companies of The Art Institutes.

WHO MAY USE THE COMPUTER LABS

Full and part-time students are welcome to use the computer labs during normal school hours. Students must have a valid (updated) Art Institutes' student ID card to utilize technology resources. Students should keep their ID card with them at all times while at school. For student safety and the protection of Art Institutes' equipment, the presence of unauthorized persons (individuals who are not current students) in the labs should immediately be reported to a staff or faculty member.

Alumni: The Art Institutes support all alumni of EDMC system of schools in their effort to improve and update their portfolios and résumés. Alumni are considered guests at the school and must adhere to the policies established in the Student Handbook. School computers are not to be used for "freelance" jobs. School machines and software are intended for educational use only. Due to the volume of students enrolled in classes, current students may be given priority access to equipment at the discretion of the school.

Faculty and staff: The Art Institutes' faculty and staff have access to computer labs and equipment, although students generally have priority over usage. Students should not be surprised to see instructors and/or staff in classrooms and/or lab facilities.

COMPUTER LAB RULES

The following rules have been developed by the lab staff, Technology Committee and The Art Institutes' administrations to assure the integrity of lab systems and equipment, to optimize student access and to control usage of consumables. Failure to adhere to these policies and procedures can result in the suspension of lab access privileges and/or conduct probation and/or other disciplinary action. Malicious or mischievous acts that result in damage to equipment or software may result in permanent suspension from The Art Institutes.

1. Absolutely no food or drinks will be allowed in any of the computer labs at any time.
2. Loud or unruly behavior that disrupts other students in the lab will not be tolerated.
3. Students, faculty and staff may not install software of any kind onto any school computer.
4. Students, faculty and staff may not remove any computer device from an existing computer system and/or install any computer-related device to any school computer.
5. Attempting to copy software from any of the school computers is an illegal act that violates federal copyright laws and could result in legal repercussions as well as loss of lab privileges and/or expulsion from school.
6. Do not attempt to bypass the security arrangements in any computer lab.
7. Labs will not be kept open past posted closing times. Printers and scanners will be turned off 10 minutes prior to lab closing.
8. No modifications to the DOS, Windows or MAC environments will be allowed.
9. Student, faculty and staff work must be stored on personal disks (floppy, ZIP, CD-ROM, JAZ disks or portable hard drive). The schools are not responsible for the loss, theft, or any damage that may occur to personal storage devices. If loss or theft does occur see the Dean of Student Affairs and fill out an Incident Report.
10. Respect the privacy of others by refraining from seeking information on, obtaining copies of or modifying files, media or passwords belonging to others.
11. Respect the rights of others by complying with all school policies regarding harassment, hazing and/or discrimination. Do not engage in any behavior that violates any school policy or that would interfere with the proper use of school resources by others.

sources of information by refraining from distributing or making copies of software without the permission of the copyright holder. Do not install illegally obtained software or any other unauthorized software on computers or networks.

13. Respect the intended usage of systems for electronic information exchange including the Internet. The user bears the responsibility for any material he or she chooses to access, send or display. Internet access provided by The Art Institutes may not be used in any way that contravenes school policies, federal, state, or local laws or statutes.
14. Respect the integrity of computer systems and networks by refraining from use of any programs, transactions, data or processes that infiltrate a system or damage or alter the software, data components or configurations of systems or networks.
15. Respect the need for system and network security by refraining from any actions to infiltrate or bypass security arrangements or gain unauthorized access to facilities, resources, systems or networks.
16. Use the computer and communications resources in a manner consistent with the ethical principles set forth by The Art Institutes and with accepted community standards.

Please note: The user is responsible for backing up his or her files on removable media.

POLICY ON OPEN COMPUTERS IN THE CLASSROOM

In order to prepare students for the competitive job market, The Art Institutes have computer labs to support the delivery of academic programs and to support students in the completion of assignments generated through course work. To ensure that students have the best opportunity to access a computer terminal to complete their assignments, all unoccupied computers may be accessed during normal hours of operation whether or not a scheduled class is in session.

The student must wait 30 minutes after the start of the scheduled class to ensure that unoccupied computers are available for class members who may show up late. The student should enter the class quietly, find an open computer and get to work without disturbing the instructor. The student is expected to work independently and not disrupt the class in session. An instructor may ask non-class members to leave if their conduct becomes disruptive. In addition, the student may not scan or print, as these peripherals are reserved for the class in session. All students will be asked to leave a lab at the end of a class, prior to the start of the next class.

CAMPUS SECURITY

The Art Institutes are committed to the health and welfare of their students, faculty, staff, and guests. Crime awareness and campus security are matters for which everyone must take a personal responsibility. The Student Conduct and Housing Codes strictly prohibit the possession of weapons and the illegal use of alcohol, controlled substances, and drugs on the campus or in off-campus school-sponsored housing. The Art Institute adheres to all state and federal laws. Violation of these rules or criminal acts of any kind may result in prompt disciplinary action, including expulsion.

REPORTING CRIMES AND EMERGENCIES

Report criminal actions or other emergencies immediately. A safe environment is everyone's responsibility. Students, faculty and staff are encouraged to report all criminal acts, suspicious activities or other emergencies promptly and have the right to report these matters confidentially. Victims or witnesses to a crime are encouraged to file a report of the incident. Reports can be filed on a voluntary, confidential basis for inclusion in the annual disclosure of crime statistics by contacting the Dean of Student Affairs. Be sure to describe the nature of the criminal activity, when it happened, where it happened, who was involved and whether there were any witnesses. It is the policy of The Art Institutes that all criminal acts or other emergencies be properly documented and reported to local authorities as required by law. In an instance when the Dean of Student Affairs is

not available, please contact another member of the Executive Committee or other members of The Art Institutes staff.

SAFETY PROCEDURES

In the event of a fire, an alarm will sound notifying all students, faculty and staff of their need to leave the building. Everyone should leave the building according to the practices conducted during the regular drill procedures. It is mandatory that all persons observe the following procedures:

1. Stay calm. Stop work immediately. Do not pack up supplies or work in progress. If the alarm sounds do NOT assume it is a drill.
2. Follow directions from the nearest faculty, staff member or from the floor fire captain for exiting the building. Exit building using stairwells only.
3. After exiting, head away from the immediate front of the building.
4. Do not re-enter the school until an "all-clear" indication is given.

SECURITY AND ACCESS TO CAMPUS FACILITY

It is the policy of The Art Institutes that access to all campus facilities is limited to authorized personnel, students and invited visitors. Visitors are at all times subject to the school policies and conduct codes. Responsibility for the lawful and appropriate behavior of visitors should be shared by their student or employee host. All visitors must sign in and out at the front reception desk.

CRIME STATISTICS

As part of The Art Institutes' commitment to safety and security and pursuant to the requirements of the Federal Crime Awareness and Campus Security Act of 1990, The Art Institutes provide information annually to all of its current and prospective employees and students that addresses, among other things, the importance of prompt reporting of crimes to school officials and local police; campus security procedures aimed at encouraging students and employees to be responsible for their own security and the security of others; advisement and other assistance available from The Art Institutes to any student who may be the victim of a crime; and statistics on selected crimes which The Art Institutes maintain pursuant to the Crime Awareness and Campus Security Act. A complete copy of the Campus Crime Report and Crime Statistics that were submitted to the Department of Education can be obtained in the Student Affairs Department.

LIBRARY

The Art Institutes provide students, faculty and staff with access to information and services needed in a teaching and learning environment. Collection emphasis is on creative production in the degree areas as well as support for general education in the fine arts, communications, social sciences and humanities. Students will have access to a variety of computer information technologies they may use in the workplace, at home or in the Library.

The Library is an important academic resource for all students. The ever-growing collection supports the coursework students will do here at The Art Institutes. To activate a library card, students should bring their current school ID cards to the Library. Students interested in recommending items for purchase may contact the Director of Library Services or the Librarian. The Library offers computer access to its library catalog, to the Internet and for use with a color scanner.

SUPPLY STORE

The Art Institutes have Supply Stores on-site where students, faculty and staff have access to purchase some of the text books and supplies necessary for their academic programs. The Supply Store is a very specialized retail outlet and carries most of the art supplies needed by students, as recommended by the instructors and Academic Directors.

STUDENT FINANCIAL PLANNING SERVICES

The Art Institutes have a Student Financial Services Office where students and their families develop a financial plan to help ensure students' completion of their programs. Specialists from this department help students complete applications for grants and loans applicable to students' circumstances. Once a student's eligibility for financial assistance has been determined, the student and the financial planning specialist develop a plan for meeting educational expenses.

Students of The Art Institutes may apply for scholarships, grants, or loans to assist with college expenses. Scholarships and grants are sums of money given to an eligible student to be applied toward the student's educational costs. Students do not repay scholarships or grants, but must meet specific requirements to receive them. Various loans are also available to assist students with educational costs. These loans must be repaid according to specific terms.

SCHOLARSHIPS

The Art Institutes offer various merit and competitive scholarships to high school seniors.

All scholarship winners must adhere to the scholarship rules established by The Art Institutes. Scholarship winners must apply to, and be accepted at, a location of The Art Institutes system of schools to validate the scholarship. Scholarships can be applied toward tuition only, unless otherwise noted. They do not cover books, supplies, or miscellaneous fees. Students attending The Art Institutes on scholarships must maintain at least a 2.5 cumulative grade point average in order to retain eligibility.

STUDENT FINANCIAL ASSISTANCE

All students who receive federal- or state-sponsored financial assistance must maintain satisfactory academic progress for financial assistance eligibility.

SUSPENSION AND REINSTATEMENT OF FINANCIAL ASSISTANCE: ALL PROGRAMS

Students who are suspended from a program of study or terminated from The Art Institutes are ineligible for financial assistance until they regain admission and comply with satisfactory academic progress requirements.

FINANCIAL ASSISTANCE APPEAL

Students who are denied or suspended from financial assistance may file an appeal under appropriate federal and state guidelines with The Art Institutes' Student Financial Assistance Review Committee.

STUDENT FINANCIAL ASSISTANCE REVIEW COMMITTEE

This committee consists of The Art Institutes Presidents, Directors of Administrative and Financial Services, and Directors of Student Financial Services. The committee is responsible for the review of all student financial aid awards when there is a question regarding a student's eligibility for such awards.

THE STUDENT:

1. Must write a letter to the attention of The Art Institutes' Director of Student Financial Services that details all mitigating circumstances. This letter must be received within 10 days after notification of financial aid denial.
2. Must attach any documents that evidence justification or reason for the student's situation leading to the denial of financial assistance.
3. May request a personal appearance before the Student Financial Assistance Review Committee.

THE REVIEW COMMITTEE:

1. Will secure a copy of the student's academic and financial aid records.

2. May request the appearance of the student to clarify any materials/ statements presented by the student.
3. Will review all materials presented by the student and available from The Art Institutes, and renders a final decision regarding the student's financial assistance status.

FEDERAL STUDENT FINANCIAL AID

The purpose of federal student financial aid programs is to ensure that all students have an opportunity to obtain a college education, and that no student will be denied that opportunity because of lack of funds. Central to the purpose of financial aid is the belief that students and their families, to the extent possible, have the primary responsibility to pay for the student's college education. Financial aid is made available to assist students when family resources are not sufficient to meet college costs. All students are to be treated fairly and equitably by applying policies and procedures for determining eligibility consistently. Though applicants are encouraged to seek financial aid, students should not rely solely on these monies to support themselves throughout the academic year.

Students receiving any form of financial aid are required to meet standards for academic progress and attendance. Proof of such progress on a periodic basis is verified prior to any disbursements of financial aid. Failure to make satisfactory academic progress or satisfactory attendance requirements may result in the termination or reduction of financial aid.

Though The Art Institutes' financial aid staff is responsible for accurate distribution, explanation, documentation, and validation of financial aid requirements, it is the student's responsibility to comply with all requests in a timely fashion if the student wishes to continue receiving benefits. Federal aid grants are awarded on a fiscal year basis, beginning July 1 and ending June 30. Some applicants may need to complete the application process twice during an academic or calendar year.

FINANCIAL AID PROGRAMS

The Art Institutes are eligible for financial aid and participate in the following programs:

FEDERAL PELL GRANT

Federal Pell Grants are based on financial need, as defined by the U.S. Department of Education. To be eligible for a Federal Pell Grant, students must make application, prove U.S. citizenship or permanent resident status, be able to show graduation from high school or its equivalency, not owe a refund on a federal grant nor be in default on a federal loan, and maintain satisfactory academic progress in school.

FEDERAL SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANTS

Federal Supplemental Educational Opportunity Grants (FSEOG) are for students who demonstrate exceptional financial need (with priority given to Pell Grant recipients). This is gift aid; it does not have to be repaid.

FEDERAL SUBSIDIZED STAFFORD LOAN

The Federal Subsidized Stafford Loan is a variable interest loan available to students through eligible lenders. The loan is obtained directly from private banks, savings and loan associations, and credit unions. To be eligible, the student must be a citizen or permanent resident alien of the United States and meet other eligibility requirements. Repayment of the loan begins six months after the student's last day of attendance.

FEDERAL UNSUBSIDIZED STAFFORD LOAN

The Federal Unsubsidized Stafford Loan is a variable interest loan available to students through eligible lenders. Independent students may borrow the Unsubsidized Stafford Loan without credit requirements. The Stafford Loans repayment begins six months after the student's last day in school.

Dependent students who do not meet the need requirements for a subsidized Stafford Loan, or

whose parents are denied a PLUS Loan, may also apply for this loan.

PARENT LOAN FOR UNDERGRADUATE STUDENTS (PLUS)

The Parent Loan for Undergraduate Students is a variable interest loan available to parents through eligible lenders. The PLUS loan is a credit-worthy loan available to parents of dependent students. The PLUS loan repayment begins 60 days after the loan is disbursed.

FEDERAL PERKINS LOAN

Federal Perkins Loans offer a low 5% interest rate and repayment terms as long as 10 years. Because funds under this program are limited, priority is given students with the greatest financial need. Repayment on the loan generally does not begin until nine months after a student leaves school or coursework is reduced to less than a half-time basis.

FEDERAL WORK-STUDY

Through the Federal Work-Study program, students have the opportunity to meet part of their expenses by working part-time on or off campus. A limited number of assignments are available, with priority given to students with the greatest need. Our Student Financial Services Department has more details. The maximum students can earn through this program is the amount of their unmet need (the difference between expenses and all their resources).

For a more complete description of federal aid programs, please review The Art Institutes Complete Guide to Financial Aid.

CALIFORNIA STATE GRANT (CAL GRANT)

The Art Institutes are approved by the California Student Aid Commission for students to receive Cal Grant funds under Cal Grant A, B, and C programs. Cal Grant programs require academic qualifications as derived from the Student Aid Commission Grade Point Average (GPA) Verification Form. Both the Free Application for Federal Student Aid (FAFSA) form and the GPA Verification (Cal Grant application) must be completed and postmarked by March 2 each year.

STUDENT TUITION RECOVERY FUND

(Note: The Bureau of Private Postsecondary and Vocational Education (BPPVE) does not require us to collect from students the Student Tuition Recovery Fund (STRF) for the period of July 1, 2006 through June 30, 2007.)

California law requires that upon enrollment, a fee must be assessed in relation to the cost of tuition (New California Education Code §94945). These fees support the Student Tuition Recovery Fund (STRF), a special fund established by the California Legislature, to reimburse students who might otherwise experience a financial loss as a result of the (a) closure of the institution; (b) the institution's breach of or anticipatory breach of the agreement for the program of instruction; or (c) a decline in the quality or value of the program or instruction within the 30-day period before the institution's closure. The STRF fund protects only California students and the institution's participation is mandatory.

Please note that (a) if a recipient of third party payer tuition and course cost, the student is not eligible for protection under the STRF, and (b) the student is responsible for paying the state assessment amount for the Student Tuition Recovery Fund. A third party payer means any employer, government program, or other payer that pays a student's total charges directly to the institution when no separate agreement for the repayment of the payment exists between the third-party payer and the student.

The assessment that the institution must collect from each newly enrolled student as a STRF fee is \$2.50 per thousand dollars of tuition paid, regardless of the portion that is prepaid.

As particular in the Student Tuition Recovery Fund, The Art Institutes are also obligated by California Law to collect the name of the source of each loan, if you have one or more governmentally guaranteed or insured loans for tuition purposes outstanding.

It is important that enrollees keep a copy of an enrollment agreement, contract, or application to document enrollment; tuition receipts or canceled checks to document the total amount of tuition

paid; and records, which will show the percentage of the courses completed. Such records would substantiate a claim for reimbursement from the STRF which, to be considered, must be filed within 60 days following school closure. For further information or instruction, contact:
