GENERAL REFUND POLICY

Return of Federal Title IV Aid

In compliance with Federal regulations, the school will determine how much Federal student financial assistance the student has earned or not earned when a student

withdraws from school.

The school will calculate the percentage and amount of awarded Federal student financial assistance that the student has earned if the student withdraws up through the 60 percent point of the term. If the student has completed more than 60 percent of the term, the student earns 100 percent of the Federal student financial assistance.

The amount earned will be based on the percentage of the term that was completed in days up to and including the last date of attendance. To calculate the amount earned, the school will determine the percentage by dividing the number of calendar days completed in the term up to and including the last date of attendance by the total number of calendar days in the term.

If the student received more than the amount of Federal student financial assistance earned, the difference will be returned to the Federal student financial assistance programs from which funds were received in the following order: Unsubsidized Stafford Loan, Unsubsidized Direct Loan, Subsidized Stafford Loan, Subsidized Direct Loan, Perkins Loan, PLUS Loan, Pell Grant, ACG, SMART, SEOG. Funds will be returned to the aid source within 45 days of the date that the school determines that the student has withdrawn.

If more Federal student financial assistance has been earned than has been received, the student may be eligible for a post-withdrawal disbursement. The school will notify the student of any post-withdrawal disbursement for which the student may be eligible and what steps need to be taken for the Federal financial assistance funds to be received.

If Federal student financial assistance funds need to be returned, the institution must return a portion or all of the unearned funds equal to the lesser of:

- The institutional charges multiplied by the percentage of the unearned Federal student financial assistance funds; or
- The entire amount of unearned funds.

If there are remaining unearned Federal financial aid funds to be returned, the student must return any loan funds that remain to be returned in accordance with the terms and conditions of the promissory note. If the remaining amount of funds to be returned include grant funds, the student must return any amount of the overpayment that is more than half of the grant funds received. The school will notify the student as to the amount owed and how and where it should be returned.

Student Withdrawal

A student may voluntarily withdraw from The Illinois Institute of Art—Schaumburg by notifying the Office of the Registrar in writing or in person. The refund policies outlined above shall apply in the event that a student withdraws, is suspended, or is terminated from The Illinois Institute of Art—Schaumburg.

Days 2 and 3 - \$300
Days 4 through Week 4 - 20%
Weeks 5 and 6 - 70%
After Week 6 - 100%

Week 1	25%
Week 2	50%
Week 3	75%
After Week 3	100%

Arbitration

Every student and The Illinois Institute of Art—Schaumburg agrees that any dispute or claim between the student and The Illinois Institute of Art—Schaumburg (or any company affiliated with The Illinois Institute of Art—Schaumburg, or any of its officers, directors, trustees, employees or agents) arising out of or relating to a student's enrollment or attendance at The Illinois Institute of Art—Schaumburg whether such dispute arises before, during, or after the student's attendance and whether the dispute is based on contract, tort, statute, or otherwise, shall be, at the student's or The Illinois Institute of Art—Schaumburg's election, submitted to

and resolved by individual binding arbitration pursuant to the terms described herein. This policy, however, is not intended to modify a student's right, if any, to file a grievance with any state educational licensing agency.

If a student decides to initiate arbitration, the student may select either, JAMS or the National Arbitration Forum ("NAF") to serve as the arbitration administrator pursuant to its rules of procedure. If The Illinois Institute of Art—Schaumburg intends to initiate arbitration, it will notify the student in writing by regular mail at the student's latest address on file with The Illinois Institute of Art—Schaumburg, and the student will have 20 days from the date of the letter to select one of these organizations as the administrator. If the student fails to select an administrator within that 20day period, The Illinois Institute of Art—Schaumburg will select one.

The Illinois Institute of Art—Schaumburg agrees that it will not elect to arbitrate any undividable claim of less than the relevant jurisdictional threshold that a student may bring in small claims court (or in a similar court of limited jurisdiction subject to expedited procedures). If that claim is transferred or appealed to a different court, however, or if a student's claim exceeds than the relevant jurisdictional threshold The Illinois Institute of Art—Schaumburg reserves the right to elect arbitration and, if it does so, each student agrees that the matter will be resolved by binding arbitration pursuant to the terms of this Section.

IF EITHER A STUDENT OR THE ILLINOIS INSTITUTE OF ART-SCHAUMBURG CHOOSES ARBITRATION, NEITHER PARTY WILL HAVE THE RIGHT TO A JURY TRIAL, TO ENGAGE IN DISCOVERY, EXCEPT AS PROVIDED IN THE APPLICABLE ARBITRATION RULES, OR OTHERWISE TO LITIGATE THE DISPUTE OR CLAIM IN ANY COURT (OTHER THAN IN SMALL CLAIMS OR SIMILAR COURT, AS SET FORTH IN THE PRECEDING PARAGRAPH, OR IN AN ACTION TO ENFORCE THE ARBITRATOR'S AWARD). FURTHER, A STUDENT WILL NOT HAVE THE RIGHT TO PARTICIPATE AS A REPRESENTATIVE OR MEMBER OF ANY CLASS OF CLAIMANTS PERTAINING TO ANY CLAIM SUBJECT TO ARBITRATION. THE ARBITRATOR'S DECISION WILL BE FINAL AND BINDING. OTHER RIGHTS THAT A STUDENT OR THE ILLINOIS INSTITUTE OF ART—SCHUAMBURG WOULD HAVE IN COURT ALSO MAY NOT BE AVAILABLE IN ARBITRATION.

The arbitrator shall have no authority to arbitrate claims on a class action basis, and claims brought by or against a student may not be joined or consolidated with claims brought by or against any other person. Any arbitration hearing shall take place in the federal judicial district in which the student resides. Upon a student's written request, The Illinois Institute of Art—Schaumburg will pay the filing fees charged by the arbitration administrator, up to a maximum of \$3,500 per claim. Each party will bear the expense of its own attorneys, experts and witnesses, regardless of which party prevails, unless applicable law gives a right to recover any of those fees from the other party. If the arbitrator determines that any claim or defense is frivolous or wrongfully intended to oppress the other party, the arbitrator may award sanctions in the form of fees and expenses reasonably incurred by the other party (including arbitration administration fees, arbitrators' fees, and attorney, expert and witness fees), to the extent such fees and expenses could be imposed under Rule 11 of the Federal Rules of Civil Procedure.

The Federal Arbitration Act (FAA), 9 U.S.C. §§ 1, et seq., shall govern this arbitration provision. This arbitration provision shall survive the termination of a student's relationship with The Illinois Institute of Art—Schaumburg. If a student has a question about the arbitration administrator mentioned above, the student can contact them as follows: JAMS, 45 Broadway, 28th Floor, New York, NY, 10006, HYPERLINK "<http://www.jamsadr.com>" www.jamsadr.com, 8003525267; National Arbitration Forum, P.O. Transferability of Credits

The Illinois Institute of Art—Schaumburg is authorized by the Illinois Board of Higher Education (431 East Adams, Second Floor, Springfield, IL 62701, 1.217.782.2551, www.ibhe.state.il.us/default.htm).

The Illinois Institute of Art is accredited by the Higher Learning Commission and is a member of the North Central Association (30 North LaSalle Street, Suite 2400, Chicago, IL 60602, 1-800 621-7440, www.ncahlc.org).

However, the fact that a school is licensed and accredited is not necessarily an indication that credits earned at that school will be accepted by another school.

In the U.S. higher education system, transfer ability of credit is determined by the receiving institution taking into account such factors as course content, grades, accreditation and licensing. The goal of The Illinois Institute of Art—Schaumburg is to help you to prepare for entry-level employment in your chosen field of study. The value of degree programs like those offered by The Illinois Institute of Art—Schaumburg is their deliberate focus on marketable skills. The credits earned are not intended as a stepping stone for transfer to another institution. For this reason, it is unlikely that the academic credits you earn at The Illinois Institute of Art—Schaumburg will transfer to another school. Programs offered by one school within The Art Institutes system may be similar to but not identical to programs offered at another school within the system. This is due to differences imposed by state law, use of different instructional models, and local employer needs. Therefore, if you decide to transfer to another school within The Art Institutes system, not all of the credits you earn at The Illinois Institute of Art—Schaumburg may be transferable into that school's program. If you are considering transferring to either another school within The Art Institute system or an unaffiliated school, it is your responsibility to determine whether that school will accept your The Illinois Institute of Art—Schaumburg credits. We encourage you to make this determination as early as possible. The Illinois Institute of Art—Schaumburg does not imply, promise, or guarantee transferability of its credits to any other institution.
