

Academic Advisors... “How can we help you?”

(Report to: Ted Gervan, egervan@aii.edu)

Your Academic Advisors work in concert with the Academic Directors (Education), Registrar’s Office (Administration) and Student Financial Services (Finance) to ensure that communication between you and the various departments is as seamless as possible. Our typical responsibilities include: contacting students informally to discuss their academic progress, processing changes in their programs, and tracking their attendance for absenteeism and student loan requirements. We would be happy to help you – just ask.

Burnaby – (604) 298-5400

Jane Boal (jboal@aii.edu; ext. 5253)
