Although you may be matched with a roommate because you share similar attitudes, likes or dislikes, you should not expect to agree on all of them. It is important for roommates to discuss their commonalities and differences as a means to better understand each other and to build a cooperative relationship. Roommate assignments will be sent out approximately one week prior to the start of the quarter.

Units are furnished and have three bedrooms (2 single rooms and 1 double room) for a total of 4 students per Unit. While AiYork cannot guarantee room choice preferences, every effort will be made to accommodate your request.

**Check your room type preference below:**

- Single (private bedroom, shared bathroom)
- Double (shared bedroom, shared bathroom)
- Doesn't Matter

*\*This is a preference and all efforts will be made to accommodate preferences, but it is NOT a guarantee. Students will be responsible for the rate of the room they are placed in.*

*\*Every effort will be made to accommodate roommate requests.  
Students requesting a specific match must be listed on the roommate's application.  
This is a request not a guarantee.*

**Smoking/Non Smoking.**

Smoking is a matter of personal choice; all Units are non-smoking, however, many individuals prefer to avoid the presence of smoke all together. If you indicate you are a non-smoker and later begin smoking, you may be required to relocate to another Unit if your roommates do not smoke.

- I prefer to live with a non-smoker.
- I prefer to live with other smokers.
- I do not smoke but don't mind living with other smokers.

*\* Smoking in Units is strictly prohibited.*
